To celebrate the month of love, Mykonos Casino invited 25 guests and their partners to a special 'Love is in the Air' -themed Valentine's Day breakfast buffet at the Black Pearl Buffet Restaurant on the 14th of February.

The breakfast was also open to the public to celebrate love in style and Rewards cardholders were spoiled with instant discounts. An exquisite breakfast buffet and sparkling wine were served. Casino guests also received special heart-shaped cake pops, balloons and biscuits with 'Love is in the Air' written on them in icing.

To make the day even more special, a human statue (from Afrodizzy Acts) dressed in a cupid costume welcomed all of the guests. There was also a love-inspired photo booth where couples could capture memories of the special day. Casino staff joined in on the celebrations by wearing 'Love is in the Air' badges.

Mykonos Casino would like to thank the Black Pearl Buffet Restaurant staff for making the morning so memorable. Casino couples provided positive feedback and everyone's hearts were touched by the special treatment they received. Let love show you the way in 2018!
