DINING

The restaurant, Evolve, is designed to provide a completely different look and feel from daytime to night-time. With an outstanding view over the Bay of Maputo, the use of clever lighting transforms the atmosphere of the restaurant from a cool, fresh feel with a touch of blue at breakfast, to a warm, romantic and intimate venue with a touch of red, at night. Evolve's menu, features a delicious breakfast buffet, followed by a light snacks and lunch menu during the day, and exceptional national and international cuisine – featuring several seafood and other Mozambican specialities – in the evenings.

Opening Hours:
