

SUMMARISED CONSOLIDATED FINANCIAL STATEMENTS

Notes to the summarised consolidated financial statements

1 Basis of preparation

The summarised consolidated annual financial statements for the year ended 31 March 2014 have been prepared in accordance with the recognition and measurement criteria of IFRS, the SAICA Financial Reporting Guides as issued by the Accounting Practices Committee and Financial Reporting Pronouncements as issued by the Financial Reporting Standards Council and are presented in terms of IAS 34 *Interim Financial Reporting*, the Companies Act of South Africa and the JSE Listings Requirements. Chief Financial Officer, Rob Huddy CA(SA), supervised the preparation of the summarised consolidated annual financial statements.

The accounting policies applied in the preparation of the audited consolidated financial statements, from which the summarised consolidated financial statements were derived, are in terms of IFRS and are consistent with the accounting policies applied in the preparation of the previous audited consolidated financial statements other than as mentioned below. The summarised consolidated annual financial statements should be read in conjunction with the audited annual financial statements for the year ended 31 March 2014, which were approved by the board on 12 June 2014 and are available online or can be requested directly from the Company Secretary.

The unmodified audit report of PricewaterhouseCoopers Inc, the independent auditors, on the consolidated and separate company annual financial statements for the year ended 31 March 2014, dated 12 June 2014, is available for inspection at the registered office of the company and is included in the audited annual financial statements available online.

2 Changes in accounting policies

An amendment to IAS 19 *Employee Benefits* requires service costs and net interest to be allocated to profit or loss, while all remeasurements are to be allocated to other comprehensive income. Previously the group allocated the adjustment to profit or loss by applying the corridor method allowed in IAS 19 which has subsequently been withdrawn. The 31 March 2013 comparative numbers in the income statement, statement of other comprehensive income and cash flow statement, and 31 March 2012 comparative numbers in the balance sheet and statement of changes in equity have accordingly been restated.

Previously IAS 16 *Property, Plant and Equipment* permitted spare parts and servicing equipment to be classified as inventory and the group previously classified all of its operating equipment as inventory. The impact of the amendment to IAS 16 required the group to perform an assessment on all operating equipment used by the casino and hotel operations to determine which items are used for more than one period and met the definition of property, plant and equipment.

The above mentioned changes in accounting policies have been applied retrospectively and have reduced earnings per share by 0.2 cents from 148.5 cents per share to 148.3 cents per share for the year ended 31 March 2013. Other than the above mentioned changes in accounting policies, the accounting policies have been consistently applied with those of the annual financial statements for the year ended 31 March 2013, as described in those annual financial statements.

The monetary effects have been disclosed as footnotes to the summarised statements.

3 Segment information

In terms of IFRS 8 *Operating Segments* the chief operating decision-maker has been identified as the group's Chief Executive Officer ('CEO') and the group executive committee ('GEC') (previously the group's board of directors). The group's CEO and the GEC review the group's internal reporting in order to assess performance and allocate resources. Management has determined the operating segments based on the reports reviewed by the group's CEO and GEC which are used to make strategic decisions.

The group's CEO and GEC consider the business from both a business type and geographical basis, being hotels and gaming. All gaming segments and the South African hotels division conduct business in South Africa, with the offshore hotels division operating in other African countries, the Middle East and the Seychelles. Other gaming operations consist mainly of the Sandton Convention Centre, the StayEasy Century City hotel and head office costs. The corporate segment includes the treasury and management function of the group.

Although the offshore hotels segment does not meet the quantitative thresholds of IFRS 8, management has concluded that the segment should be reported as it has a different risk and reward profile. It is closely monitored as it is expected to materially contribute to group revenue in the future.

The reportable segments derive their revenue and income from hotel and gaming operations.

Notes to the summarised consolidated financial statements

continued

3 Segment information *continued*

The group's CEO and GEC assess the performance of the operating segments based on Ebitdar. The measure excludes the effects of long-term incentives and the effects of non-recurring expenditure. The measure also excludes all headline adjustments, impairments and fair value adjustments on non-current assets and liabilities. Interest income and finance costs are not included in the result for each operating segment as this is driven by the group treasury function which manages the cash and debt position of the group.

Other than as mentioned above, there has been no change in the basis of segmentation or in the basis of measurement of segment profit or loss from the last annual financial statements.

4 Capital commitments

As at 31 March 2014 the board had committed a total of R4.5 billion for maintenance and expansion capital items at its gaming and hotel properties of which R2.4 billion is anticipated to be spent during the financial year ending 31 March 2015.

5 Subsequent events

The directors are not aware of any matter or circumstance arising since the end of the financial year, not otherwise dealt with in the financial statements, that would significantly affect the operations or results of the company or the group. Refer to the inorganic growth section on page 61 and note 51 on page 63 of the group annual financial statements for details of events occurring after the balance sheet date relating to:

1 Adoption of annual financial statements and reports

Ordinary resolution 1

"Resolved as an ordinary resolution to receive and adopt the annual financial statements of the company and the group for the financial year ended 31 March 2014, together with the reports of the directors and the independent auditors thereon contained in the integrated annual report of the company and the group, for the financial year ended 31 March 2014 and tabled at the meeting at which this resolution was proposed, and further to receive the reports of the audit and risk committee, the social and ethics committee and the remuneration committee, contained in the integrated annual report of the company and the group, for the financial year ended 31 March 2014 and tabled at the meeting at which this resolution was proposed."

2 Appointment of auditors

Ordinary resolution 2

"Resolved as an ordinary resolution that PricewaterhouseCoopers Inc. be and are hereby appointed as independent auditors of the company until the conclusion of the next Annual General Meeting of the company."

3 Appointment and re-election of directors

3.1 Ordinary resolution 3.1

"Resolved as an ordinary resolution that the appointment of Ms BA Mabuza, as a director of the company with effect from 3 June 2014, be and is hereby confirmed in terms of the Listings Requirements of the JSE Limited and she is hereby elected as a director of the company."

A summarised *curriculum vitae* in respect of Ms BA Mabuza is contained on page 65 of the integrated annual report of the company, and the group, for the financial year ended 31 March 2014, of which this notice of AGM forms part ('integrated annual report').

Mr J Davidson replaced Mr EAG MacKay as a director of the company with effect from 17 January 2014. Mr Davidson resigned as a director of the company, effective 28 August 2014.

3.2 Ordinary resolutions 3.2.1 and 3.2.2

"Resolved as ordinary resolutions:

Summarised *curricula vitae* in respect of Messrs JA Copelyn and RG Tomlinson are contained on page 64 and page 65 of the integrated annual report.

4 Appointment to audit and risk committee

Ordinary resolutions 4.1, 4.2 and 4.3

"Resolved as ordinary resolutions that:

- 4.1 Mr JG Ngcobo be and is hereby appointed as a member of the company's audit and risk committee;
- 4.2 subject to the passing of ordinary resolution 3.2.3, Mr RG Tomlinson be and is hereby appointed as a member of the company's audit and risk committee; and
- 4.3 subject to the passing of ordinary resolution 3.1, Ms BA Mabuza be and is hereby appointed as a member of the company's audit and risk committee."

5 Non-binding advisory resolution approving the company's remuneration policy

Ordinary resolution 5

"Resolved as an ordinary resolution, by way of a non-binding advisory vote, that the company's remuneration policy, which has been presented to shareholders on page 71 to page 75 of the integrated annual report of the company and the group, for the financial year ended 31 March 2014 and tabled at the meeting at which this resolution was proposed, be and is hereby approved in terms of the King Report on Corporate Governance for South Africa 2009."

6 Non-executive directors' fees

Special resolution 1

"Resolved as a special resolution that the fees payable to non-executive directors for their services as directors of the company and/or as members of the board subcommittees, in respect of the period from 1 October 2014 until the next annual general meeting of the company, as proposed in the remuneration report on page 75 of the integrated annual report of the company and the group, for the financial year ended 31 March 2014 and tabled at the meeting at which this resolution was proposed, be and is hereby approved."

The reason for and the effect of this special resolution number 1, if passed and becoming effective, is to ensure that the remuneration of the non-executive directors remains competitive in order to enable the company to attract and retain persons of the calibre required to make meaningful contributions to the company.

7 General authority to repurchase shares

Special resolution 2

"Resolved as a special resolution, that the company and/or any of its subsidiaries, be and are hereby authorised, by way of a general approval in terms of the Listings Requirements of the JSE Limited ('JSE'), to acquire ordinary shares issued by the company, provided that:

- ❖ any such acquisition shall only be made in compliance with the provisions of section 48 read with section 46 of the Companies Act, No 71 of 2008, as amended or replaced from time to time ('Companies Act');
- ❖ any such acquisition of ordinary shares shall be effected through the order book operated by the JSE trading system and done without any prior understanding or arrangement between the company and the counterparty;

Notice of Annual General Meeting continued

- ❖ this general authority shall be valid until the company's next Annual General Meeting, provided that it shall not extend beyond 15 months from the date of passing of this special resolution;
- ❖ acquisitions of shares under this general authority to repurchase shares may not, in aggregate in any one financial year, exceed 10% of the company's issued ordinary share capital as at the date of passing of this special resolution;
- ❖ in determining the price at which ordinary shares issued by the company are acquired by it or any of its subsidiaries in terms of this general authority, the maximum premium at which such ordinary shares may be acquired will be 10% of the weighted average of the market value at which such ordinary shares are traded on the JSE for the five business days immediately preceding the date of repurchase of such ordinary shares by the company or any of its subsidiaries;
- ❖ at any point in time, the company may only appoint one agent to effect any repurchase on the company's behalf;
- ❖ the company's sponsor must report to the JSE in writing that it has discharged its responsibilities in terms of Schedule 25 of the Listings Requirements of the JSE relating to the company's working capital for purposes of undertaking the repurchase of shares before entering the market to proceed with the repurchase;
- ❖ the company and/or its subsidiaries may not repurchase any shares during a prohibited period as defined by the Listings Requirements of the JSE unless they have in place a repurchase programme where the dates and quantities of ordinary shares to be traded during the relevant period are fixed and full details of the programme have been disclosed in an announcement on SENS prior to the commencement of the prohibited period;
- ❖ the board of directors authorises such transaction; and
- ❖ the company passes the solvency and liquidity test as contemplated in the Companies Act and that, since the solvency and liquidity test was applied, no material change has occurred in the financial position of the group."

The reason for and effect of this special resolution number 2, if passed and becoming effective, is to grant the company and the subsidiaries of the company, a general authority in terms of the Listings Requirements of the JSE Limited ('JSE') for the acquisition by the company, or a subsidiary of the company, of the company's shares.

The directors consider that such a general authority should be put in place in order to enable the acquisition of the company's shares should an opportunity to do so present itself during the year and which is in the best interests of the company and its shareholders.

After considering the effects of this special resolution number 2, the directors are satisfied that for a period of 12 months after the date of this notice of AGM:

- ❖ the company and the group will be able, in the ordinary course of business, to pay its debts;
- ❖ the assets of the company and the group, measured in accordance with the accounting policies used in the latest audited annual group financial statements, will exceed the liabilities of the company and the group; and
- ❖ the company and the group's ordinary share capital, reserves and working capital will be adequate for ordinary business purposes.

The board of directors confirms that no repurchase will be implemented in terms of this authority, unless the board of directors has passed a resolution authorising the repurchase, resolving that the company and its subsidiary/ies, as the case may be, have satisfied the solvency and liquidity test as contemplated in the Companies Act and since the solvency and liquidity test had been applied, there had been no material changes to the financial position of the group."

Upon cumulatively repurchasing 3% of the initial number of ordinary shares in issue and for each 3% of ordinary shares repurchased thereafter, the company will make an announcement to such effect not later than 08:30 on the second business day following the day on which the relevant threshold is reached or exceeded.

The following additional information, some of which appears in the integrated annual report, is provided in terms of the Listings Requirements of the JSE for purposes of the general authority to repurchase shares (special resolution number 2):

- ❖ directors and management – page 64, page 65 and page 69 of the integrated annual report;
- ❖ major beneficial shareholders – page 10 and page 85 of the integrated annual report;
- ❖ the directors with an interest in securities are Messrs JA Copelyn, JA Mabuza, MN von Aulock and RB Huddy – refer to page 85 of the integrated annual report; and
- ❖ share capital of the company – note 15 on page 75 of the annual financial statements of the company for the financial year ended 31 March 2014.

The directors, whose names appear on page 64 and page 65 of the integrated annual report:

- ❖ are not aware of any legal or arbitration proceedings that are pending or threatened, that may have or have had in the recent past, being at least the previous 12 months, a material effect on the group's financial position;
- ❖ collectively and individually, accept full responsibility for the accuracy of the information pertaining to special resolution number 2; and
- ❖ certify that, to the best of their knowledge and belief, there are no facts that have been omitted which would make any statement false or misleading, that all reasonable enquiries to ascertain such facts have been made and that this notice of AGM contains all information required by law and the Listings Requirements of the JSE.

Other than the facts and developments reported on in the integrated annual report, there have been no material changes in the affairs or financial position of the company and its subsidiaries since the date of signature of the integrated annual report up to the date of this notice of AGM.

8 Financial assistance to related or inter-related companies or corporations

Special resolution 3

"Resolved as a special resolution that, to the extent required in terms of, and subject to the provisions of section 45 of the Companies Act, No 71 of 2008, as amended or replaced from time to time, the requirements (if applicable) of the company's memorandum of incorporation and the Listings Requirements of the JSE Limited, the provision by the company at any time and from time to time, during the period of two years commencing on the date of the adoption of this special resolution, of direct or indirect financial assistance (whether by way of loan, guarantee, the provision of security or otherwise), to any related or inter-related company or corporation of the company, on such terms and conditions as the directors (or any one or more persons authorised by the directors from time to time for such purpose) may deem fit, be and is hereby approved."

The reason for and effect of this special resolution number 3, if passed and becoming effective, is to grant the directors of the company the authority to provide financial assistance to any company or corporation which is related or inter-related to the company for the ensuing two years, subject to the requirements of the Listings Requirements of the JSE. The company will accordingly be authorised to grant loans to its subsidiaries and to guarantee the debt of its subsidiaries.

"Resolved as a special resolution that, to the extent required in terms of, and subject to the provisions of sections 41, 42, 44 and 45 of the Companies Act, No 71 of 2008, as amended or replaced from time to time, the requirements (if applicable) of the company's memorandum of incorporation and the Listings Requirements of the JSE Limited:

- ❖ the issue by the company of shares or securities convertible into shares, or the grant by the company of options for the allotment or subscription of shares or other securities of the company or the grant of any other rights exercisable for securities of the company; and/or the provision by the company of direct or indirect financial assistance (whether by way of loan, guarantee, the provision of security or otherwise) in connection with the subscription of any option or any securities issued or to be issued by the company or by a related or inter-related company or for the purchase of any securities of the company or of a related or inter-related company, at any time and from time to time during the period of two years commencing on the date of the adoption of this special resolution, to the Gold Reef Share Scheme or to a director, future director, prescribed officer or future prescribed officer of the company or to a person related or inter-related to the company or to a director or prescribed officer of the company or to their respective nominees, in accordance with the provisions of the Gold Reef Share Scheme and/or in accordance with the provisions of any other share-based incentive scheme established by the company, be and is hereby approved."

The reason for and effect of this special resolution number 4, if passed and becoming effective, is to authorise the issue of shares or options and the provision of financial assistance, to the extent necessary, for the purposes of complying with the company's obligations under the Gold Reef Share Scheme and/or in accordance with the provisions of any other share-based incentive scheme established by the company.
