THE GAME

Rapid 8's is a new progressive side bet offered on selected Baccarat tables, which can be played in addition to your initial wager on either Player or Banker.

THE BET

You are betting on the combination of cards dealt either as part of the initial 4 card deal or from the total of drawn cards representing a result in the main game.

Rapid 8 wagers must be placed on the progressive flashing pads located in front of each seated area, before the initial deal commences.
