

NOTE:

1. Do not scale. All contractors must check on site all dimensions and information provided. Any queries or discrepancies must be referred to the designers before materials are ordered or work put in hand.
2. The contractor is responsible for the structural stability and efficient performance of his work.
3. This drawing is copyright and may not be duplicated or used in any way without the authority of the designers.
4. All materials to be handled and fitted according to manufacturers recommendations.
5. All tiling to include both movement and expansion joints as required according to the manufacturers recommendations.
6. Contractors to supply designers with samples for approval of all specified finishes and materials before ordering and construction.
7. No varnishes or glass sealers to be used unless specified on drawings.
