Gold Reef City hosts *An Evening of Rafi with Neeraj 2*

Back by popular demand: On Saturday, 25 March 2017, Neeraj Beharie will dazzle Johannesburg audiences with the second round of [*An Evening of Rafi with Neeraj*](#), live from Gold Reef City's The Lyric. Accompanied by The Johannesburg Philharmonic Orchestra, this two hour and thirty minute concert, produced by Beharie himself, is guaranteed to blow the audience away.

With this stellar performance, Neeraj, who is a scholar in Hindustani Classical music, will honour the great Mohammed Rafi through performing some of his most beloved and well known songs. Rafi, a Bollywood legend, is celebrated in the Eastern film industry and the Indian community at large for his musical achievements. He has also had songs scored by some of South Africa's greatest composers, namely Eddie Clayton, Johan Laas and Peter McClee, which will be performed by the soulful Beharie during this much-anticipated concert.

During *An Evening of Rafi with Neeraj*, Beharie will be accompanied by female vocalists, Seema Nanoo (SA) and Marsha Sang (SA, Bangladesh, India), who are both trained in Hindustani Classical music. Each of these performers will bring their own artistic flair to great and popular duets like Lata Mangeshkar and Asha Bhosle, complementing Beharie note for note.

Gold Reef City's Marketing Manager, Gareth Kaschula, says, "We pride ourselves on bringing our guests the best in local as well as international talent. We believe that this particular show will exceed the audience's expectations. Neeraj's tribute show of 2016 was a resounding success, and if that is anything to go by, then this one will be even greater."
