LUXURY RESORT & SPA | MAHÉ | SEYCHELLES

Soft, white beaches... lapping azure waters... breathtaking vistas... tranquil isolation... ultimate luxury... the perfect escape.

A wide-angle landscape photograph of a tropical island at sunset. The sky is filled with soft, orange and yellow clouds. In the foreground, the calm, turquoise water of the ocean stretches across the frame. In the middle ground, a lush green hillside is dotted with numerous small, traditional-style buildings with conical thatched roofs. The background shows dark, silhouetted mountains under the twilight sky.

GRACIOUS,  
SPACIOUS,  
SECLUDED,  
SUBLIME...

## DESTINATION

A thousand miles from nowhere, in a remote part of the West Indian ocean, lies the Seychelles archipelago. This rare haven that ancient legends refer to as the Garden of Eden, has a rich history of thrilling pirate tales, stories of plunder, buried treasures and romance.

It is said that when Vasco da Gama discovered the Seychelles, the archipelago was known as the 'Seven Sisters' – inspired by the star cluster of the same name (also known as Pleiades) used by marines for navigational direction. Each of the stars was named after the daughters of Atlas and Pleone in Greek mythology and the eldest and most beautiful was 'Maia', meaning 'the great one' in Latin.

On the Seychelles island of Mahé you will discover Anse Louis - a magnificent secluded beach... and beyond the swaying palms, aquamarine water, opalescent sands and lush tropical haven, there lies magic... the magic of the great resort of Maia.

## THE RESORT

Maia is a private sanctuary in the heart of paradise. Mysterious and magical, it is a place to elude your frenetic lifestyle... and rediscover you.

Nestled on 12 hectares of the secluded Anse Louis beachfront in the South West of Mahé, the Maia resort is a picturesque twenty-minute drive from the airport.

From the moment you set foot inside the resort, Maia's staff does its utmost to ensure that you cast off the stresses of the outside world and immerse yourself in the luxuriousness you will experience throughout your stay.

## ACCOMMODATION

Thirty 250m<sup>2</sup> private and exquisite thatched villas are strategically positioned to provide breathtaking vistas of your private peninsula, the aquamarine water and islands beyond.

Each spacious villa incorporates an air-conditioned bedroom; a gazebo with a well-equipped pantry, bar and voluminous day bed; private infinity pool; concealed garden-view shower; en-suite bathroom with dual vanities and an enormous outdoor spa bath.

There are Ocean View, Ocean Panoramic, Ocean Front and Signature villas to choose from, each equipped with every modern convenience for an unforgettably luxurious experience.

Ocean Front villas with their close proximity to the Spa and dining area are most suited to accommodating children. Children stay within a designated area to ensure other couples are undisturbed and that families can enjoy a time of togetherness.

Maia Signature villas provide breathtaking views. One has direct access to a secluded beach, the others have been carefully positioned for their superb hilltop views.

The ambience of seclusion. Your anonymity is assured. Your time is your own.

## GASTRONOMY

### Food for your soul.

Gastronomy is an integral part of Maia's essence. The kitchens uphold a policy of flexibility to cater for dining beyond regular menus and times. With a penchant for ingenuity that places an emphasis on freshness, our skilled culinary teams have perfected the art of fusion cooking that draws inspiration from a number of cultures to create intriguing blends of flavours, textures and aromas.

You are at liberty to take any or all of your meals in the privacy of your villa gazebo or in the beachfront Tec-Tec Restaurant. Romantic candlelit dinners on the beach, poolside, or atop a tropical hill offer a refreshing choice for those seeking intimacy.

Intuitive and expert, Maia's multi-lingual staff provides matchless service and unobtrusively enhances each dining experience to its fullest.

Maia is the proud custodian of an impressive collection of top international wines and our Sommelier enthusiastically introduces guests to new and favourite vintages.

## SERVICES & FACILITIES

Unwind... inhale... let Maia work its magic.

A significant part of Maia's allure is the absence of a dress code, which captures the spirit of ease that pervades indoors and out. With no winter or summer, it's always the right time to take advantage of the temperate climate and head outdoors. Maia's verdant, award-winning gardens are a sight to behold, brimming with multifarious varieties of trees and plant life, or a little further afield scenic walks beckon - through mountains, forests and along vast stretches of beach.

### Seven star service

For the entire duration of your stay, your personal butler intuitively sees to your needs. From the moment you arrive until the time you leave, your immaculate villa is fully maintained and nothing is too much trouble for your butler to arrange.

### Children at Maia

As part of our Children at Maia programme VIK (Very Important Kids), your butler, who doubles as a child minder during your stay, will provide exemplary care for your children whenever the need arises. Despite being secluded, Maia is close in proximity to a number of places of interest in and around the island, so there are several options for young travellers.

## IN AND AROUND THE ISLAND

### The archipelago

There are no less than one hundred and fifty-five unspoiled islands comprising the Seychelles, which is one of the world's greatest natural treasures.

The archipelago is also one of the safest marine environments in the world and offers exquisite coral reefs, pristine islands, lush forests teeming with exotic plants and birds, and an abundance of creatures to explore and discover. Protected by the national marine parks and bird sanctuaries, these are the only oceanic islands in the world composed of granitic rock from a continental shelf.

### Local masterpieces

The Seychelles boasts an abundance of artistically inspired curios and travellers with a discerning eye will appreciate the innovative techniques used to produce a variety of beautiful pieces.

Excursions to the local markets in the town centre provide insight into indigenous trends; and leisurely visits to the museum, national archives, local Creole restaurants, botanical gardens and public buildings add to the interesting layers of this colourful treasure chest.

### Excursions

Whether you wish to go snorkelling, diving, fishing or swimming, our luxury leisure crafts and 4x4 vehicles are available to transport you to any part of paradise you choose. Customised excursions and private picnics to the breathtaking islands of La Digue, Praslin and Coco Islands can be arranged at the drop of a hat.

## THE MAIA SPA

**Be indulged... rejuvenated... and restored to wholeness.**

Set within tranquil award-winning gardens where the soporific sounds of birds and music lull you into a state of bliss, the Spa at Maia offers ultra-luxurious preparations and treatments administered by highly trained therapists.

Professionals guide you through accompanied yoga, self-Shiatsu and Qi Gong; or if you prefer your own fitness regime, the fully equipped fitness centre, with the latest "Excite" equipment, is the ideal environment to restore your equilibrium.

The Spa provides exciting exploration packages and imaginative pampering treatments for the younger generation, such as chocolate fudge or banana split scented baths, massages and mini pedicures or manicures.
