

## **Gold Reef City Stages Magical Performance for Worthy Cause**

A quartet of musical sensation will delight Gold Reef City on Saturday, 21 May 2016. The Lyric will be hosting The Muses for a night of rhythmic infusion of classical instruments delivering the best in contemporary music with the aim to give back to a worthy cause.

The four-piece band will stage two magical performances which will contribute towards a fundraiser called "Let's do it 2gether 4 EDUCATION". The initiative aims to improve and increase educational opportunities, access to education, as well as generate and distribute financial support to economically disadvantaged learners in public schools.

"We are excited to host this fundraiser with The Muses upcoming performances at The Lyric. At Gold Reef City we believe that upliftment begins at home which is why we have and will continue to support initiatives aimed at strengthening and empowering our communities," said Gareth Kaschula, Gold Reef City Marketing Manager.

The Muses also aim to enhance the quality of education by constructing and developing a new low to mid fee private school in Lenasia. A secular co-educational school with a dedicated Early Learning Centre fully inclusive of children with physical disabilities.

The two shows starts at 15h00 and 19h00 respectively, tickets are available from Computicket and start at R 150 per person.
