

A Night Out Like No Other With Silverstar

Night Out for Two is back! From Friday, 15 July until Thursday, 29 September 2016, Silverstar will be running their not-to-be-missed *Night Out for Two* promotion. This awesome package deal for two includes an assortment of vouchers consisting of meals, drinks, movies, FreePlay, ten-pin bowling and parking.

Couples can get their hands on the *Night Out for Two* package for just R300, and the six different vouchers within the deal are valid for redemption from Mondays to Thursdays, between 18 July and 29 September. The good news is that all the vouchers do not have to be used in one night. So spread the fun out, and make it an every weeknight outing (just as long as the vouchers are used within the valid period). Vouchers can be purchased at the box office at Silverstar or online at www.silverstarcasino.co.za.

This awesome deal will get you two 2D/3D movie tickets and two mouth-watering meals at either Vigour & Verve, Publicity, Billy G, Black Cherry, Calisto's or Spur. Included in the booklet is also two selected drinks at Silverstar's casino bar, a parking voucher, two R25 FreePlay vouchers and for those who want added excitement, two ten-pin bowling games. Where else, but at Silverstar, can you get so much more? So make a date night of it, and get yourself and your other half to the West Rand's Number One Entertainment destination, and experience a night out like no other.
