Celebrate year end in style at Sandton Convention Centre

Another year is fast drawing to a close and it’s time to thank staff (and management) for their contribution to your business’s success. What better way to close off the year than with fine food in a beautiful, versatile venue? Sandton Convention Centre (https://www.tsogosun.com/sandton-convention-centre-scc) has created year-end function packages which will eliminate the stress of arranging a company event, so that you can concentrate on celebrating the successes of the year.

Year-end packages will be available for bookings from 25 November to 15 December 2018 at Sandton Convention Centre (https://www.tsogosun.com/sandton-convention-centre-scc/special-offers) and range from cocktail menus for 35 guests, to three-course sit down dinners for up to 600 guests…with variations suited to many other requirements in between.

Menus by a President for World Leaders

Executive Chef, James Khoza – who is also the current President of the SA Chefs Association - recently devised menus with distinctly South African flavours served to heads of state at the recent BRICS Summit held at Sandton Convention Centre.

Chef James and his team do not disappoint and based the year-end function menus on some of the dishes which were served to these illustrious guests including baked African fishcake in coconut brioche crust with Cape Malay pickle and cucumber raita on spicy corn salad to start; followed by grilled rack of lamb drizzled with a dried cherry jus served with caramelised onion and polenta tart and a side of char-grilled vegetables. Of course dessert is a key element in any celebration and who can resist ending a succulent meal with lemongrass crème brûlée or traditional malva pudding with cardamom infused custard and macadamia nut ice cream?

The menus Centre (https://www.tsogosun.com/sandton-convention-centre-scc/special-offers) make use of produce and ingredients which can be sourced locally where possible but meet the exacting standards of a world class venue like Sandton Convention Centre.

Turnkey Service

Sandton Convention Centre’s team of extremely willing and able staff are on hand to assist with every aspect of your event to ensure a stress-free and successful celebration.

The year-end packages include:
• PA system and microphones
• Standard crockery, cutlery, and glassware, waiters and bartenders
• Sandton Convention Centre standard linen – cream table cloth (we work closely with décor suppliers and can happily arrange a quote for additional décor requirements)
• Complimentary welcome drink – house white/red wine and juice

All that is left to do is get in touch with our team to book an event that will be the talk of the company for months to come...
