Tsogo Sun's [InterContinental Johannesburg O.R Tambo Airport](#) Hotel has just received the exciting news that it has been announced a 2017 Hotels.com Loved By Guests gold winner. Says Samantha Clingham, General Manager of the InterContinental Johannesburg O.R Tambo Airport Hotel: "To determine who is worthy of joining this esteemed hotel booking service's hall of fame, genuine reviews of actual guests who stayed at hotels during the year are screened and evaluated and only the most highly reviewed and highly satisfactory hotels are listed as winners."

The award-winning InterContinental Johannesburg O.R. Tambo Airport Hotel, is South Africa's only luxury airport hotel that has become renowned for providing guests with a truly luxurious and unforgettable experience, right through from arrival to departure. The hotel is kitted out with all the ritzy conveniences and facilities that any discerning hotel guest's heart can desire, including a heavenly spa and the fine dining Quills Restaurant that has been accoladed with the prestigious Award of Excellence by the Wine Spectator's Restaurant Awards.

The hotel has also become a business meeting and conference venue of choice, not only because of its outstanding facilities and service, but also because of its strategic location and easy access to the entire business hub of Gauteng through easy access to the high-speed Gautrain and an abundance of car hire and taxi services.

Another major plus is the fact that Johannesburg, one of the most visited cities in the world, with all its art galleries, museums, world-class shopping experiences and historical attractions, is basically on the hotel's doorstep. Not to mention that a repertoire of top South African game reserves and wildlife destinations are all just an easy transfer away.

"We are both honoured and humbled by this wonderful recognition from Hotels.com and would like to extend our heartfelt thanks to every guest who made this possible by writing a review after they visited us. You, our guests, are the true stars of our story and the centre of this hotel's universe, concluded Samantha Clingham.
