## THE GREAT ONE

Welcome to your private sanctuary  
nestled on the lush island of Mahé.

Legend has it that Vasco da Gama discovered the Seychelles  
while following The Seven Sisters, a constellation named after  
the daughters of Atlas and Pleione in Greek mythology.

*The eldest and most beautiful of these daughters was  
MAIA, known as 'The Great One'.*

*An exquisite but somewhat shy nymph, she embodies all  
that this resort is. A sensual sanctuary of unparalleled  
natural beauty and absolute privacy and discretion.*

# JOURNEY TO A WORLD BEYOND THE ORDINARY

of service, discretion and attention to detail.

*Private villas that transcend all levels of luxury.*

*Untouched natural beauty offers true relaxation.  
Unmatched service and a Beyond All Inclusive offering that ensures  
your needs are met, every moment of the day.*

## YOUR VILLA AWAITS YOU

MAIA offers Ocean Panoramic and Signature Villas, designed by Bill Bensley, one of the world's most highly regarded luxury resort and hotel architects.

Experience 250m<sup>2</sup> of sheer luxury and indulge your every sense.

To the right, there is a dense forest of green trees and palm trees. In the bottom right corner, a building with a thatched roof and a blue swimming pool is visible.

## DESIGNED IN COLLABORATION WITH MOTHER NATURE

Bill Bensley refers to MAIA as one of his favourite projects. His belief that "*only Mother Nature creates paradise on earth*" is seen and felt throughout the design.

The architecture is custom-fit around the landscape and a 'no tree felled' approach in the build reveals an authentic connection between nature and luxury.
