Cheers to the new Diamond Lounge, the Beer Price Drop and fine wine!

Blackrock Casino (<https://www.tsogosun.com/blackrock-casino>), Newcastle's favourite entertainment destination, is very excited to bring you the dazzling new Diamond Lounge, the ongoing beer price drop and last but definitely not least – decadent wine and dine evenings for a feast fit for a king!

Celebration Bar becomes Diamond Lounge

It's time to sparkle! The old Celebration Bar and the surrounding casino floor has been transformed into a glamorous feel like no other in the whole of Newcastle! The luxurious new Diamond Lounge was launched on Tuesday, 10 September after a massive revamp! The lavish look and feel has taken almost a year to plan and implement with magnificent results. And with it comes a trendy new menu, also revamped to match the gorgeous new look. For the not-so-hungry, why not try a falafel naanwhich? Those who have a bigger craving, sink your teeth into a delicious eisbein or a tasty trio of curries! If you love beer, Diamond Lounge will be the first in Newcastle to serve Heineken and Amstel draught on tap! Don't forget to arrange a babysitter – this is where you get to let your hair down and relax in comfort and style.

Planning a special occasion or looking for somewhere to take your clients? Be one of the first to introduce your friends or business associates to the dazzling and decadent new Diamond Lounge. Whether you are a coffee drinker, cocktail lover or wine connoisseur – this is definitely the best place to be in Newcastle!
