

## Gauteng's Premier Entertainment Destination Scoops Eleven Awards

Eighteen years since opening its doors to an expectant, entertainment-hungry public who continue to cast their votes in Montecasino's favour in the Best of Joburg Awards, Gauteng's premiere entertainment destination has scooped several awards in the popular reader's choice awards.

Gratifyingly, the Teatro at Montecasino, which is currently home to the award-winning international hit stage production, Matilda The Musical, won Best Theatre for the ninth consecutive year. The Teatro celebrated its 10th anniversary in 2017 and proudly continues to bring new audiences to the theatre year after year.

On the sporting end of the entertainment spectrum, Montecasino was also voted the Best Place to Watch the Big Game, attesting to the incredible atmosphere and spirit that can be felt on the Piazza whenever Boktown fever takes hold. On the restaurant front, Best Greek restaurant went to Mythos, a relative newcomer to Montecasino, and, unsurprisingly, the overwhelmingly popular Fireroom won the Best Sushi award for its innovative and experiential flaming sushi offering.
