**Montecasino's Night Out for 2 returns – with new restaurants in the bargain**

A night out for two is a rare occasion, taking a healthy chunk out of your entertainment wallet, right? Not for the next 10 weeks as Montecasino brings back its popular 'Night Out for 2' promotion – making it possible to treat your loved one to drinks, a movie, a two-course dinner, with parking included, for only R380. What's more, it's a chance to find out why Montecasino's brand new restaurants are the talk of the town.

There's no excuse for not seizing the day in the month of love – and all the way through to 13 May, seven days a week – whether it's for a date night, a special occasion, a romantic rendezvous, a girl's (or boy's) night out, or a much-needed escape from the ordinary.

Valued at R800, the Night Out for 2 promotion saves you R420 – and gives you a chance to try some of Montecasino's newest and most popular restaurants – at a fraction of the cost.

Start your night out with drinks for two at the buzzing Milk and Honey Bar on the Piazza or on the casino floor, and then choose your meal and dessert for two from four varied options: Fireroom, Montecasino's exciting new Oriental fusion restaurant; La Rosa Mexican Grille and Tequileria, bringing the magic of Mexico to Gauteng; Lima, a Latin American Fusion Tapas Bar; or The Meat Co, ever renowned for its wide range of glorious tender and delicious meat-centric dishes.

Fireroom's two meal options include a Signature Dragon Roll, or a Vegetable Thai Curry served with steamed rice, and a choice of two desserts.

La Rosa's meal options include an Alamentos Platter with jalapeno croqueta, flautas, quesadillas clasico and taco pollo y maiz, or a Gran Mezcla Platter with jalapeno croqueta, corn popper, quesadillas hongos and taco guajillo. Desserts are sopallas or churros.

The Meat Co's two meal options include a 200g Saucy Sirloin Steak with a choice of one sauce, or a Vegetarian Platter that includes Grilled haloumi with balsamic glaze, grilled courgette, mixed vegetables topped with red and green peppers, black olives, sautéed spinach, and grilled button mushroom with garlic, followed by a choice of two desserts from a tantalising selection of four.

Lima's meal options are Bento Box for 2, which includes pork tacos, chicken and chorizo empanadas, cheese nachos and beef anticuchos, or Vegetarian Bento Box for 2, with vegetarian tacos, cheese nachos, homemade tortilla chips, vegetarian anticuchos and grilled mushroom and baby carrot skewers served with butternut purée. Dessert options are also for two and include chocolate mousse with peanut brittle, Peruvian caramel art, or churro cup with vanilla ice cream.
