

Sizzling Summer reaches fever pitch at Silverstar

With over R850k in cash and cars up for grabs, Sizzling Summer (<https://www.tsogosun.com/silverstar-casino/whats-on-silverstar/gaming/sizzling-summer>) was the talk of the town at Silverstar Casino – the West Rand’s premier entertainment destination. By simply playing their favourite Slots or Tables game, players earned points on their Rewards cards to be entered into the draw. Exclusive to Silverstar Black and Platinum Rewards cardholders, this promotion brought some major sizzle to the casino floor.

Anneke Potgieter, recently-appointed Director of Operations and Complex General Manager at Silverstar, said that she was thrilled another exciting gaming promotion had created multiple winners. “Since my appointment at Silverstar, I have been both inspired and impressed by the enthusiasm of the guests on our casino floor. I am happy to announce that Sizzling Summer has come to a successful end after a month and a half of draws, prizes and giveaways! I am delighted to reward our loyal players, and to see two lucky players each drive off in a brand new Hyundai i20.” Black and platinum cardholders needed to earn points for a ticket into the draw, which took place from 15 November to 16 December 2017. Groups of players gathered around the promotional stage, waiting in anticipation to find out if they had done enough to clinch a car, or cash prize.

Sizzling Summer drew to a scorching close on Saturday, December 16 after a total of R447 000 in cash prizes and cars to the value of R422 000 were given away – what better way to Celebrate Summer at Silverstar (<https://www.tsogosun.com/silverstar-casino>)?
