On 28 March 2013, Hospitality Property Fund Limited (the **Issuer**) established a ZAR2,000,000,000 Domestic Medium Term Note Programme pursuant to a programme memorandum dated 28 March 2013 (the **Previous Programme Memorandum**). This amendment and restatement to the Previous Programme Memorandum (the **Programme Memorandum**) will apply to all Notes (as defined below) issued under the Programme before or after 28 April 2017 (the **Programme Date**) and will in respect of such Notes, supersede and replace the Previous Programme Memorandum in its entirety.

Under this ZAR5,000,000,000 Domestic Medium Term Note Programme (the **Programme**), the Issuer may from time to time issue notes (the **Notes**), which expression shall include Senior Notes and Subordinated Notes (each as defined herein) denominated in any currency agreed by the Issuer and the relevant Dealer(s) (as defined herein) and further subject to all Applicable Laws and, in the case of Notes listed on the Interest Rate Market of the JSE (as defined herein) or such other Financial Exchange(s) (as defined herein) as may be determined by the Issuer and the relevant authority, the debt listings requirements of the JSE Limited (the **JSE**) or such other Financial Exchange(s), that are subject to the terms and conditions (the **Terms and Conditions**) contained in this Programme Memorandum. Any other terms and conditions not contained in the Terms and Conditions that are applicable to any Notes, replacing or modifying the Terms and Conditions, will be set forth in a pricing supplement (the **Applicable Pricing Supplement**).

As at the Programme Date, the Programme Amount has been increased to ZAR5,000,000,000. This Programme Memorandum will apply to the Notes issued under the Programme (including Notes issued and still Outstanding under the Programme pursuant to the Previous Programme Memorandum) in an aggregate outstanding Nominal Amount which will not exceed ZAR5,000,000,000 unless such amount is increased by the Issuer as set out in the section of this Programme Memorandum headed "*General Description of the Programme*".

A Tranche of Notes will be issued on, and subject to, the Terms and Conditions, as replaced, amended and/or supplemented by the terms and conditions of that Tranche of Notes set out in the Applicable Pricing Supplement.

This Programme Memorandum has been approved by the JSE. A Tranche of Notes may be listed on the Interest Rate Market of the JSE or on such other or additional Financial Exchange(s) as may be determined by the Issuer, subject to all Applicable Laws. GENERAL DESCRIPTION OF THE PROGRAMME

Capitalised terms used in this section headed “General Description of the Programme” shall bear the same meanings as used in the Terms and Conditions, except to the extent that they are separately defined in this section or this is clearly inappropriate from the context.

The Issuer may from time to time issue one or more Tranches of Notes under the Programme, pursuant to this Programme Memorandum, provided that the aggregate outstanding Nominal Amount of all of the Notes issued under the Programme (including Notes issued and still Outstanding under the Programme pursuant to the Previous Programme Memorandum) from time to time does not exceed the Programme Amount.

A Tranche of Notes may be listed on the Interest Rate Market of the JSE or on such other or additional Financial Exchange(s) as may be determined by the Issuer, subject to Applicable Laws. Unlisted Notes may also be issued under the Programme. The Applicable Pricing Supplement will specify whether or not a Tranche of Notes will be listed and, if so, on which Financial Exchange. If the Issuer issues a Tranche of unlisted Notes or a Tranche of Notes is listed on any Financial Exchange other than (or in addition to) the JSE, the Issuer will, by no later than the last Day of the month of issue of that Tranche of Notes, inform the JSE in writing of the aggregate Nominal Amount and the Maturity Date (if any) of that Tranche of Notes.

This Programme Memorandum and any supplement will only be valid for the issue of Notes in an aggregate Nominal Amount that when added to the aggregate Nominal Amount then Outstanding of all the Notes previously or simultaneously issued under the Programme, (including Notes issued and still Outstanding under the Programme pursuant to the Previous Programme Memorandum) does not exceed ZAR5,000,000,000 or its equivalent in other currencies. For the purpose of calculating the South African Rand equivalent of the aggregate Nominal Amount of the Notes issued under the Programme from time to time, the South African Rand equivalent of the Notes denominated in another Specified Currency (as specified in the Applicable Pricing Supplement) shall be determined as of the date of agreement to issue such Notes (the **Agreement Date**) on the basis of the spot rate for the sale of the South African Rand against the purchase of such Specified Currency in the South African foreign exchange market quoted by any leading bank selected by the Issuer on the Agreement Date (the **Conversion Rate**) and in respect of:

- (a) Zero Coupon Notes and other Notes, the Conversion Rate shall be applied to the net subscription proceeds received by the Issuer for the relevant issue; and
- (b) Partly-Paid Notes and Index-Linked Notes, the Conversion Rate shall be applied to the Nominal Amount regardless of the amount paid up on such Notes.

From time to time the Issuer may wish to increase the Programme Amount. Subject to the Applicable Procedures, all Applicable Laws and the Programme Agreement (as defined in the section headed “*Subscription and Sale*”), the Issuer may, without the consent of Noteholders, increase the Programme Amount by delivering a notice thereof to the Noteholders in accordance with Condition 18 (*Notices*) of the Terms and Conditions, and to the Arranger, the Dealer(s), the JSE and the CSD. Upon such notice being given to the Noteholders and the conditions set out in the Programme Agreement to exercise this right having been met, all references in this Programme Memorandum (and each agreement, deed or document relating to the Programme and/or this Programme Memorandum) to the Programme Amount will be, and will be deemed to be, references to the increased Programme Amount set out in such notice.

This Programme Memorandum will only apply to Notes issued under the Programme on or after the Programme Date.

A summary of the Programme and the Terms and Conditions appears below.

8. INTEREST

8.1 Fixed Rate Notes

- 8.1.1 Each Fixed Rate Note bears interest on its outstanding Nominal Amount (or, if it is a Partly Paid Note, the amount paid up) from (and including) the Interest Commencement Date specified in the Applicable Pricing Supplement at the rate(s) per annum equal to the Fixed Rate of Interest so specified, payable in arrears on the Fixed Interest Payment Dates in each year up to and including the Maturity Date.
- 8.1.2 The first payment of interest will be made on the Fixed Interest Payment Date next following the Interest Commencement Date.
- 8.1.3 Except as provided in the Applicable Pricing Supplement, the amount of interest payable per Note on each Fixed Interest Payment Date in respect of the Fixed Interest Period ending on (but excluding) such date will amount to the Fixed Coupon Amount, provided that:
- 8.1.3.1 if an Initial Broken Amount is specified in the Applicable Pricing Supplement, then the first Interest Amount shall equal the Initial Broken Amount specified in the Applicable Pricing Supplement; and
 - 8.1.3.2 if a Final Broken Amount is specified in the Applicable Pricing Supplement, then the final Interest Amount shall equal the Final Broken Amount.
- 8.1.4 If interest is required to be calculated for a period other than a Fixed Interest Period, such interest shall be calculated by applying the Fixed Rate of Interest to each Specified Denomination, multiplying such sum by the applicable Day Count Fraction, as specified in the Applicable Pricing Supplement, and rounding the resultant figure to the nearest Sub-unit of the relevant Specified Currency, half such Sub-unit being rounded upwards or otherwise in accordance with applicable market convention.

8.2 Floating Rate Notes and Indexed Interest Notes

Interest Payment Dates

Each Floating Rate Note and Indexed Interest Note bears interest on its outstanding Nominal Amount (or, if it is a Partly Paid Note, the amount paid up) from (and including) the Interest Commencement Date specified in the Applicable Pricing

Supplement, and such interest will be payable in arrears on the Interest Payment Date(s) in each year specified in the Applicable Pricing Supplement. Such interest will be payable in respect of each Interest Period (which expression shall, in these Terms and Conditions, mean the period from (and including) an Interest Payment Date (or the Interest Commencement Date) to (but excluding) the next (or first) Interest Payment Date).

Rate of Interest

The Rate of Interest payable from time to time in respect of the Floating Rate Notes and Indexed Interest Notes will be determined in the manner specified in the Applicable Pricing Supplement.

Minimum and/or Maximum Rate of Interest

If the Applicable Pricing Supplement specifies a Minimum Rate of Interest for any Interest Period, then, in the event that the Rate of Interest in respect of any such Interest Period determined in accordance with the above provisions is less than such Minimum Rate of Interest, the Rate of Interest for such Interest Period shall be such Minimum Rate of Interest. If the Applicable Pricing Supplement specifies a Maximum Rate of Interest for any Interest Period, then, in the event that the Rate of Interest in respect of any such Interest Period determined in accordance with the above provisions is greater than such Maximum Rate of Interest, the Rate of Interest for such Interest Period shall be such Maximum Rate of Interest.

Determination of Rate of Interest and Calculation of Interest Amount

The Calculation Agent, in the case of Floating Rate Notes and Indexed Interest Notes will at, or as soon as is practicable after, each time at which the Rate of Interest is to be determined, determine the Rate of Interest and calculate the Interest Amount payable in respect of each Floating Rate Note and Indexed Interest Note in respect of each Specified Denomination for the relevant Interest Period, and the Calculation Agent shall notify the Issuer of the Rate of Interest for the relevant Interest Period as soon as is practicable after calculating the same. Each Interest Amount shall be calculated by applying the Rate of Interest to the Specified Denomination, multiplying such sum by the applicable Day Count Fraction and rounding the resultant figure to the nearest Sub-unit of the relevant Specified Currency, half a Sub-unit being rounded upwards or otherwise in accordance with applicable market convention.

Interest Determination, Screen Rate Determination including Fallback Provisions

Where ISDA Determination is specified in the Applicable Pricing Supplement as the manner in which the Rate of Interest is to be determined, the Rate of Interest for each Interest Period will be the relevant ISDA Rate plus or minus (as indicated in the Applicable Pricing Supplement) the Margin (if any). For the purposes of this subparagraph, **ISDA Rate** for an Interest Period means a rate equal to the Floating Amount (as defined in the ISDA definitions) that would be determined by such agent under an interest rate swap transaction if that agent were acting as calculation agent for that swap transaction under the terms of an agreement incorporating the most recent ISDA Definitions and under which:

- (a) the Floating Rate Option is as specified in the Applicable Pricing Supplement;
- (b) the Designated Maturity is the period specified in the Applicable Pricing Supplement; and
- (c) the relevant Reset Date is either (i) if the applicable Floating Rate Option is based on ZAR-JIBAR-SAFEX, the first Day of the applicable Interest Period; or (ii) in any other case, as specified in the Applicable Pricing Supplement.

For the purposes of the above subparagraph **Floating Rate**, **Floating Rate Option**, **Designated Maturity** and **Reset Date** have the meanings given to those terms in the ISDA Definitions specified in the Applicable Pricing Supplement.

Where Screen Rate Determination is specified in the Applicable Pricing Supplement

as the manner in which the Rate of Interest is to be determined, the Rate of Interest for each Interest Period will, subject to the provisions below, be either:

- (a) if the Relevant Screen Page is available,
 - (i) the offered quotation (if only one quotation appears on the screen page); or
 - (ii) the arithmetic mean (rounded if necessary to the fifth decimal place, with 0.000005 being rounded upwards) of the offered quotations,

(expressed as a percentage per annum) for the Reference Rate which appears on the Relevant Screen Page as at 11h00 (or as otherwise specified in the Applicable Pricing Supplement) (Johannesburg time) on the Interest Determination Date in question plus or minus (as indicated in the Applicable Pricing Supplement) the Margin (if any), all as determined by the Calculation Agent. If five or more such offered quotations are available on the Relevant Screen Page, the highest (or, if there is more than one such highest quotation, one only of such quotations) and the lowest (or, if there is more than one such lowest quotation, one only of such quotations) shall be disregarded by the Calculation Agent for the purpose of determining the arithmetic mean (rounded as provided above) of such offered quotations; or

- (b) if the Relevant Screen Page is not available or if, in the case of (i) above, no such offered quotation appears or, in the case of (ii) above, fewer than three such offered quotations appear, in each case as at the time specified in the preceding paragraph, the Calculation Agent shall request the principal Johannesburg office of each of the Reference Banks to provide the Calculation Agent with its offered quotation (expressed as a percentage rate per annum) for the Reference Rate at approximately 11h00 (Johannesburg time) on the Interest Determination Date in question. If two or more of the Reference Banks provide the Calculation Agent with such offered quotations, the Rate of Interest for such Interest Period shall be the arithmetic mean (rounded if necessary to the fifth decimal place with 0.000005 being rounded upwards) of such offered quotations plus or minus (as appropriate) the Margin (if any), all as determined by the Calculation Agent; or

- (c) if the Rate of Interest cannot be determined by applying the provisions of (a) and (b) above, the Rate of Interest for the relevant Interest Period shall be the rate per annum which the Calculation Agent determines as being the arithmetic mean (rounded if necessary to the fifth decimal place, with 0.000005 being rounded upwards) of the rates, as communicated to (and at the request of) the Calculation Agent by the Reference Banks or any two or more of them, at which such banks offered, at approximately 11h00 (Johannesburg time) on the relevant Interest Determination Date, deposits in an amount approximately equal to the nominal amount of the Notes of the relevant Series, for a period equal to that which would have been used for the Reference Rate to prime banks in the Johannesburg inter-bank market plus or minus (as appropriate) the Margin (if any). If fewer than two of the Reference Banks provide the Calculation Agent with such offered rates, the Rate of Interest for the relevant Interest Period will be determined by the Calculation Agent as the arithmetic mean (rounded as provided above) of the rates for deposits in an amount approximately equal to the nominal amount of the Notes of the relevant Series, for a period equal to that which would have been used for the Reference Rate, quoted at approximately 11h00 (Johannesburg time) on the relevant Interest Determination Date, by the Reference Banks plus or minus (as appropriate) the Margin (if any). If the Rate of Interest cannot be determined in accordance with the foregoing provisions of this paragraph, the Rate of Interest shall be determined as at the last preceding Interest Determination Date (though substituting, where a different Margin is to be applied to the relevant Interest Period from that which applied to the last preceding Interest Period, the Margin relating to the relevant Interest Period, in place of the Margin relating to that last preceding

Interest Period).

If the Reference Rate from time to time in respect of Floating Rate Notes is specified in the Applicable Pricing Supplement as being other than ZAR-JIBAR-SAFEX, the Rate of Interest in respect of such Notes will be determined as provided in the Applicable Pricing Supplement.

Notification of Rate of Interest and Interest Amount

The Issuer will cause the Rate of Interest and each Interest Amount for each Interest Period and the relevant Interest Payment Date to be notified to the JSE and the CSD and/or every other relevant exchange or authority as soon as possible after their determination but in any event no later than the 3rd (third) Business Day before the relevant Interest Payment Date. Each Interest Amount and Interest Payment Date so notified may subsequently be amended (or appropriate alternative arrangements made by way of adjustment) in the event of an extension or shortening of the Interest Period. Any such amendment will be promptly notified to the JSE, the CSD and/or every other relevant exchange or authority and to the Noteholders in accordance with Condition 18 (*Notices*).

Certificates to be Final

All certificates, communications, opinions, determinations, calculations, quotations and decisions given, expressed, made or obtained for the purposes of the provisions of this sub-paragraph 8.2, by the Calculation Agent shall (in the absence of wilful deceit, bad faith or manifest error or proven error) be binding on the Issuer and all Noteholders and in the absence as aforesaid no liability to the Issuer or the Noteholders shall attach to the Calculation Agent in connection with the exercise or non-exercise by it of its powers, duties and discretions pursuant to such provisions.

8.3 Dual Currency Interest Notes

In the case of Dual Currency Interest Notes, the Interest Rate or Interest Amount payable shall be determined in the manner specified in the Applicable Pricing Supplement.

8.4 Mixed Rate Notes

The Interest Rate payable from time to time on Mixed Rate Notes shall be the Interest Rate payable on the form of interest-bearing Note (be it a Fixed Rate Note, Floating Rate Note, Index-Linked Note or Dual Currency Note) specified for each respective period, each as specified in the Applicable Pricing Supplement. During each such applicable period, the Interest Rate on the Mixed Rate Notes shall be determined and fall due for payment on the basis that such Mixed Rate Notes are Fixed Rate Notes, Floating Rate Notes, Index-Linked Notes or Dual Currency Notes, as the case may be.

8.5 Accrual of Interest

Each Note (or in the case of the redemption of part only of a Note, that part only of such Note) will cease to bear interest (if any) from the date of its redemption unless, upon due presentation thereof, payment of principal is improperly withheld or refused. In such event, interest will continue to accrue at the Default Rate specified in the Applicable Pricing Supplement until the date on which all amounts due in respect of such Note have been paid, or, in respect of uncertificated Notes, the date on which the full amount of the money payable has been received by the CSD and/or the Participants and notice to that effect has been given to Noteholders in accordance with Condition 18 (*Notices*).

8.6 Business Day Convention

If any Interest Payment Date (or other date), which is specified in the Applicable Pricing Supplement to be subject to adjustment in accordance with a Business Day Convention, would otherwise fall on a Day that is not a Business Day, then, if the Business Day Convention specified is:

(a) the **Floating Rate Business Day Convention**, such Interest Payment Date

(or other date) shall be postponed to the next Day which is a Business Day unless it would thereby fall into the next calendar month, in which event: (i) such Interest Payment Date (or other date) shall be brought forward to the first preceding Business Day and (ii) each subsequent Interest Payment Date (or other date) shall be the last Business Day in the month which falls the number of months, or other period specified as the Interest Period in the Applicable Pricing Supplement, after the preceding applicable Interest Payment Date (or other date) has occurred; or

- (b) the **Following Business Day Convention**, such Interest Payment Date (or other date) shall be postponed to the next Day which is a Business Day; or
- (c) the **Modified Following Business Day Convention**, such Interest Payment Date (or other date) shall be postponed to the next Day which is a Business Day unless it would thereby fall into the next calendar month, in which event such Interest Payment Date (or other such date) shall be brought forward to the first preceding Business Day; or
- (d) the **Preceding Business Day Convention**, such Interest Payment Date (or other date) shall be brought forward to the first preceding Business Day.

9. PAYMENTS

9.1 General

Payments of principal and/or interest on an Individual Certificate shall be made to the registered holder of such Note, as set forth in the Register on the close of business on the Last Day to Register (as specified in the Applicable Pricing Supplement). In addition to the above, in the case of a final redemption payment, the holder of the Individual Certificate shall be required, on or before the Last Day to Register prior to the Maturity Date, to surrender such Individual Certificate at the offices of the Transfer Agent.

Payments of principal and/or interest in respect of uncertificated Notes shall be made to the relevant Participant or the Participants, as shown in the Register on the Last Day to Register, and the Issuer will be discharged of its payment obligations by proper payment to the relevant Participant, in respect of each amount so paid. Each of the Persons shown in the records of the CSD and the Participants, as the case may be, shall look solely to the CSD or the Participant, as the case may be, for his share of each payment so made by the Issuer to the registered holder of such uncertificated Notes.

9.2 Method of Payment

Payments will be made in the Specified Currency by credit or transfer, by means of electronic settlement, to the Noteholder.

Payments will be subject in all cases to any fiscal or other laws, directives and regulations applicable thereto in the place of payment, but without prejudice to the provisions of Condition 11 (*Taxation*).

If the Issuer is prevented or restricted directly or indirectly from making any payment by electronic funds transfer in accordance with the preceding paragraph (whether by reason of strike, lockout, fire, explosion, floods, riot, war, accident, act of God, embargo, legislation, shortage of or breakdown in facilities, civil commotion, unrest or disturbances, cessation of labour, Government interference or control or any other cause or contingency beyond the control of the Issuer), the Issuer shall make such payment by cheque marked "*not transferable*" (or by such number of cheques as may be required in accordance with applicable banking law and practice to make payment of any such amounts). Such payments by cheque shall be sent by post to the address of the Noteholder as set forth in the Register or, in the case of joint Noteholders, the address set forth in the Register of that one of them who is first named in the Register in respect of that Note.

Each such cheque shall be made payable to the relevant Noteholder or, in the case of joint Noteholders, the first one of them named in the Register. Cheques may be

posted by ordinary post, provided that neither the Issuer, nor the Paying Agent shall be responsible for any loss in transmission and the postal authorities shall be deemed to be the agent of the Noteholders for the purposes of all cheques posted in terms of this Condition 9.2.

In the case of joint Noteholders, payment by electronic funds transfer will be made to the account of the Noteholder first named in the Register. Payment by electronic transfer to the Noteholder first named in the Register shall discharge the Issuer of its relevant payment obligations under the Notes.

9.3 **Payment Day**

If the date for payment of any amount in respect of any Note is not a Business Day in the relevant place of payment, the applicable Business Day Convention shall apply and the holder shall not be entitled to further interest or other payment in respect of any delay in payment, or if the Business Day Convention is not applicable, the holder thereof shall not be entitled to payment until the next following Business Day, and the holder shall not be entitled to further interest or other payment in respect of such delay.

9.4 **Interpretation of Principal and Interest**

Any reference in these Terms and Conditions to principal in respect of the Notes shall be deemed to include, as applicable:

- 9.4.1 any additional amounts which may be payable with respect to principal under Condition 11 (*Taxation*);
- 9.4.2 the Final Redemption Amount of the Notes or the Early Redemption Amount of the Notes, as the case may be;
- 9.4.3 the Optional Redemption Amount(s) (if any), as specified in the Applicable Pricing Supplement, of the Notes;
- 9.4.4 in relation to Instalment Notes, the Instalment Amounts;
- 9.4.5 in relation to Zero Coupon Notes, the Amortised Face Amount (as defined in Condition 10.8.3); and
- 9.4.6 any premium and any other amounts which may be payable by the Issuer under or in respect of the Notes, but excluding for the avoidance of doubt, interest.

Any reference in these Terms and Conditions to interest in respect of the Notes shall be deemed to include, as applicable, any additional amounts which may be payable with respect to interest under Condition 11 (*Taxation*).

10. **REDEMPTION AND PURCHASE**

10.1 **Redemption at Maturity**

Unless previously redeemed or purchased and cancelled as specified below, each Note will be redeemed by the Issuer in the Specified Currency at its Final Redemption Amount plus interest (if any) specified in, or determined in the manner specified in, the Applicable Pricing Supplement on the Maturity Date.

10.2 **Redemption for Tax Reasons**

Notes may be redeemed at the option of the Issuer at any time (in the case of Notes other than Floating Rate Notes, Indexed Interest Notes or Mixed Rate Notes having an Interest Rate then determined on a floating or indexed basis) or on any Interest Payment Date (in the case of Floating Rate Notes, Indexed Interest Notes or Mixed Rate Notes), on giving not less than 30 (thirty) Days nor more than 60 (sixty) Days' notice to the Noteholders prior to such redemption, in accordance with Condition 18 (*Notices*) (which notice shall be irrevocable, certified by 2 (two) authorised directors of the Issuer and include particulars of the relevant change pursuant to Condition 10.2.1 below), if the Issuer, immediately prior to the giving of such notice, is of the reasonable opinion that:

- 10.2.1 as a result of any change in, or amendment to, the laws or regulations of South

Africa or any political sub-division of, or any authority in, or of, South Africa having power to tax, or any change or amendment which becomes effective after the relevant Issue Date, the Issuer is or would be required to pay additional amounts as provided or referred to in Condition 11 (*Taxation*); and

- 10.2.2 the requirement cannot be avoided by the Issuer taking reasonable measures available to it,

provided that no such notice of redemption shall be given earlier than 90 (ninety) Days prior to the earliest date on which the Issuer would be obliged to pay such additional amounts were a payment in respect of the Notes then due. Notes may be redeemed by the Issuer in accordance with this Condition 10.2 in whole or in part. A redemption in part may be effected by the Issuer:

- 10.2.2.1 notwithstanding that such partial redemption may not entirely avoid such obligation to pay additional amounts as provided for or referred to in Condition 11 (*Taxation*); and

- 10.2.2.2 *mutatis mutandis* in the manner described in Condition 10.3 (*Redemption at the Option of the Issuer*), provided that the references to the giving of notice therein and to the Minimum Redemption Amount and the Higher Redemption Amount (both as specified in the Applicable Pricing Supplement) therein shall be disregarded for such purposes.

Notes redeemed for tax reasons pursuant to this Condition 10.2 will be redeemed at their Early Redemption Amount referred to in Condition 10.8 (*Early Redemption Amounts*), together (if appropriate) with interest accrued from (and including) the immediately preceding Interest Payment Date to (but excluding) the date of redemption or as specified in the Applicable Pricing Supplement.

10.3 **Redemption at the Option of the Issuer**

If the Issuer is specified in the Applicable Pricing Supplement as having an option to redeem, the Issuer may, having given not less than 30 (thirty) Days nor more than 60 (sixty) Days irrevocable notice to the Noteholders in accordance with Condition 18 (*Notices*) or unless otherwise specified with the Applicable Pricing Supplement, redeem all or some of the Notes (to which such Applicable Pricing Supplement relates) then Outstanding on the Optional Redemption Date(s) and at the Optional Redemption Amount(s) specified in, or determined in the manner specified in, the Applicable Pricing Supplement, together, if appropriate, with interest accrued to (but excluding) the Optional Redemption Date(s).

Any such redemption must be of a Nominal Amount equal to the Minimum Redemption Amount or a Higher Redemption Amount, both as indicated in the Applicable Pricing Supplement.

In the case of a partial redemption of Notes, the Notes to be redeemed (**Redeemed Notes**) will be selected individually by lot, in the case of Redeemed Notes represented by Individual Certificates, and in accordance with the Applicable Procedures in the case of Redeemed Notes which are uncertificated, and in each case not more than 30 (thirty) Days prior to the date fixed for redemption (such date of selection being hereinafter called the **Selection Date**).

In the case of Redeemed Notes represented by Individual Certificates, a list of the serial numbers of such Redeemed Notes will be published in accordance with Condition 18 (*Notices*) not less than 30 (thirty) Days prior to the date fixed for redemption. The aggregate Nominal Amount of Redeemed Notes represented by Individual Certificates shall bear the same proportion to the aggregate Nominal Amount of all Redeemed Notes as the aggregate Nominal Amount of Individual Certificates outstanding bears to the aggregate Nominal Amount of the Notes outstanding, in each case on the Selection Date, provided that such first mentioned Nominal Amount shall, if necessary, be rounded downwards to the nearest integral multiple of the Specified Denomination and the aggregate Nominal Amount of Redeemed Notes which are uncertificated shall be equal to the balance of the Redeemed Notes. No exchange of the relevant uncertificated Notes will be

permitted during the period from and including the Selection Date to and including the date fixed for redemption pursuant to this sub-paragraph, and notice to that effect shall be given by the Issuer to the Noteholders in accordance with Condition 18 (*Notices*) at least 10 (ten) Days prior to the Selection Date.

Holders of Redeemed Notes shall surrender the Individual Certificates, if any, representing the Notes in accordance with the provisions of the notice given to them by the Issuer as contemplated above. Where only a portion of the Notes represented by such Individual Certificates are redeemed, the Transfer Agent shall deliver new Individual Certificates to the Noteholders, as the case may be, in respect of the balance of the Notes.

10.4 **Redemption at the Option of the Senior Noteholders**

If Senior Noteholders are specified in the Applicable Pricing Supplement as having an option to request the redemption of Senior Notes, such Senior Noteholders may exercise such option in respect of such Senior Notes by delivering to the Transfer Agent, in accordance with Condition 18 (*Notices*), a duly executed notice (**Put Notice**), at least 30 (thirty) Days but not more than 60 (sixty) Days, prior to the Optional Redemption Date.

For redemption in part, the redemption amount specified in such Put Notice in respect of any such Senior Note must be of a principal amount equal to or greater than the Minimum Redemption Amount or equal to or less than the Higher Redemption Amount, each as indicated in the Applicable Pricing Supplement.

The redemption by the Senior Noteholders of uncertificated Senior Notes shall take place in accordance with the Applicable Procedures.

The Issuer shall proceed to redeem the Senior Notes in respect of which such option has been exercised in accordance with the terms of the Applicable Pricing Supplement, at the Optional Redemption Amount and on the Optional Redemption Date, together, if appropriate, with interest accrued to (but excluding) the Optional Redemption Date(s).

Meetings and conduct

Board meetings are held quarterly and additional meetings are convened when circumstances necessitate. Formal agendas and board reports are prepared for all meetings to ensure that matters that require attention are properly addressed and that directors are provided with the necessary information so as to prepare thoroughly and to make informed decisions. All directors have access to the chairman, the lead independent director, the executive management team and the group company secretary.

4. CORPORATE GOVERNANCE

The board maintains control of the Company and is responsible for its performance and compliance. The Board is the focal point of corporate governance for the Group. It takes responsibility and ensures that the necessary structures and processes are in place to create a governance framework for responsible leadership and the sustainable success of the Group. It recognises that strategy, risk, sustainability and performance are interlinked. The board sets and monitors the achievement of management's performance objectives.

Please refer to the governance framework graphic on page 43 of the Integrated Report 2016, for further information.

Committees of the board

Structure and reporting

The board has established a number of sub-committees to give detailed attention to certain of its duties and to assist in the execution of its powers and authorities. Each committee operates within defined, written terms of reference, which are regularly reviewed by the board in order to ensure compliance with best practice and alignment with changing legislation. Each committee chairman reports back to the board at least quarterly.

Audit and risk committee

Composition: Linda de Beer (Chairperson) (independent), Syd Halliday (independent), Zola Malinga (independent), Don Bowden (independent).

The committee operates under formal terms of reference which have been approved and which are reviewed annually by the board. The committee has an independent role with accountability to both the board and shareholders.

The committee ensures the independence of the external auditor and recommends the external auditor to shareholders for reappointment. The committee approves the scope, fees and performance of all non-audit services. The committee oversees the group's governance processes, accounting and integrated reporting, the adequacy of internal controls, the need for external assurance and approves the annual financial statements for recommendation to the board.

Social and ethics committee

Composition: Zuko Kubukeli (Chairperson) (independent), Gerald Nelson (independent), Keith Randall (executive), Rob Huddy.

The committee's statutory duties include the monitoring of the group's activities on matters relating to social and economic development, good corporate citizenship, the

environment, health and public safety, consumer relationships, labour and employment. In addition to its statutory commitments, the committee monitors stakeholder relationships, considers ethical risks and opportunities, bursaries and learnerships and preferential procurement. Although recently converted from the BEE to the Social and Ethics committee, it is apparent that the group is already substantively addressing the areas which the Board Based Black Economic Empowerment Act, 2003, requires the committee to monitor.

Investment committee

Composition: John Copelyn (Chairperson), Zuko Kubukeli (independent), Gerald Nelson (independent), Syd Halliday (independent), Marcel von Aulock.

Meetings are held when required to consider the viability of capital investments in properties, acquisitions and disposals of properties, together with related strategic and operational plans and funding alternatives. Matters which fall outside of the executive management's approved authority limits are presented to the committee for consideration. The executive management team prepares proposals for submission to the committee and based on recommendations and agreements reached by the committee, represents the group in negotiations with third parties. Each transaction is considered individually in line with the Issuer's strategies and objectives. Proposals that are believed to be feasible are, based on the size of the transaction, recommended to the board in line with the committee's terms of reference, for ratification or approval.

Nomination committee

Composition: John Copelyn (Chairman), Zuko Kubukeli (independent), Linda de Beer (independent), Gerald Nelson (independent), Marcel von Aulock.

The committee's duties include identifying and evaluating potential candidates for appointment to the board, making recommendations to the board on its composition in terms of the mix of skills and expertise and size of the board and reviewing and ensuring that formal succession plans are developed and implemented for the executive management team.

Remuneration committee

Composition Don Bowden (Chairman) (independent), John Copelyn, Linda de Beer (independent), Zola Malinga (independent), Marcel von Aulock.

The committee oversees the setting of remuneration policies for the group, ensures that the group remunerates directors and executives fairly and responsibly, evaluates the performance of the chief executive officer and executive directors and recommends the remuneration of non-executive directors.

Ethics

The ethical character and morals of Hospitality are set by the board and flows through to management, who are tasked to lead by example. The code of ethics adopted by the board is underpinned by supporting policies which include the conflicts of interest and share dealing policies.

Effectiveness of internal controls

The Group has established and maintains financial and operational systems of internal control to support the reliability of financial statements, ensure that transactions are concluded in accordance with management's authority, are accurately recorded and that the Group's assets are appropriately protected against material losses, unauthorised disposals or acquisitions. These systems include policies and procedures regarding authorisation and the segregation of duties. The internal controls, including internal financial controls are documented and assessed by Management and considered by the ARC. In the current financial year, the external audit scope was expanded in order to test internal financial controls which had been enhanced and adopted during the 2016 financial year to deal with any control deficiencies recognised in the 2015 financial year.

Refer page 69 of the Integrated Report for more details on the effectiveness of internal controls.

Dealing in the shares of Hospitality Property Fund Limited

The Issuer has a share dealing policy in place, which prohibits any director or staff member of the group who may have access to confidential information from dealing, directly or indirectly, in the linked units of the company during restricted periods. This includes any price sensitive period as determined by the board, any period where the linked units are trading under cautionary and the periods between the end of the interim and annual reporting periods and the announcement of the financial results for such respective periods on SENS. During unrestricted periods, no director is allowed to trade in the shares of the company without obtaining the requisite preapproval.

Company Secretary

The board of directors have direct access to the Company Secretary who provides guidance and assistance in line with the requirements outlined in the Companies Act, 2008, (the **Companies Act**) King III and the JSE requirements. The board of directors of Issuer endorses the code of corporate practices and conduct as set out in the King III report and confirms that the Issuer adheres to the King III Code of Corporate Governance except for the following areas of non-compliance or partial application:

- Assessment of the Group Ethic's performance

The group has a formal Code of Ethics in place. The Social and Ethics committee assists the board with the monitoring of the group's ethics performance.

- Internal Audit

The Committee is responsible for assessing the need for an internal audit function. Given the size and nature of the Group's operations as well as the existence of internal audit functions by the various hotel operators at an individual hotel level, the Group currently does not have a dedicated Group internal audit function. However, internal audit reviews on key controls have been performed from a Group level by Management and reported to the Committee. Going forward the Committee intends to further enhance these reviews, scope and independence. In addition, the Committee requested the external auditor to perform additional audit procedures on internal financial controls at a Group level. Details of the group finance structure and internal audit review process can be found on page 48 of the Integrated Annual Report at 30 June 2016.

- External Assurance

At this stage of integrated reporting the Group has not sought external verification of the content of the Integrated Report, 2016. The then external auditor, KPMG Inc. has provided assurance on the annual financial statements as confirmed in the independent auditors' report for the financial year ending 30 June 2016. Data used to compile the sustainability report was supplied by external service providers and individual CSI projects were approved by the BEE Committee. The Group is, however, committed to adopting assurance processes where appropriate and consideration will be given to the appointment of an independent auditor to conduct internal audits and assess internal controls when appropriate throughout the Group and the portfolio. A new external auditor, PwC, has been appointed following the acquisition by Tsogo Sun of a controlling share in the Group.

- Information Technology

The Issuer has implemented procedures to mitigate the risks associated with information technology and to ensure the integrity of its data. The company's IT infrastructure is maintained by a reputable external service provider and security precautions have been implemented to safeguard its information. The risks associated with IT have been evaluated as being more material at the operational level. Adequate back up and disaster recovery procedures are in place at hotels and at the Issuer's head office to ensure that should the need arise, data and systems could be recovered with minimum disruption. Due to the hotels being in possession

of extensive customer information, policies and procedures have also been implemented to protect this data.

- Regulatory Developments and Training

The Company Secretary, where necessary, arranges training on changing regulations and legislation and could involve the group's sponsors, auditors or organisations such as the Institute of Directors. The Company Secretary is not a member of the board and an arms-length relationship exists between the board of directors and the Company Secretary.

5. STRATEGY

Fund strategy

The Issuer's strategic objectives are to optimally grow shareholder returns while diversifying and managing risk and at the same time maintaining high standards of corporate citizenship and sustainable development.

The Issuer strives to continuously diversify its financing structures to ensure the successful financing of projects/acquisitions at the best available rate, as well as the refinancing of maturing debt.

Maintaining REIT status to receive the income tax benefits of Real Estate Investment Trusts.

In terms of its fund and asset management role, the Issuer sets out to maintain and grow distributions to unitholders by:

- prudent asset selection through applying an optimal combination of property location, brand, market mix and management structure;
- undertaking extensive research and analysis to identify hotel industry risks and mitigate them by appropriate strategies; and
- ensuring optimal financing structures as well as equitable compensation to both classes of unitholders and good governance.

In overseeing the management of the Issuer's assets, the Issuer seeks to optimise financial performance and grow market share by, for example:

- closely monitoring activities against domestic and international benchmarks;
- applying standards of management calculated to maximise the beneficial impact of their operations on customers, their own people, and surrounding communities while improving standards of workplace performance and minimising potentially harmful impacts on the physical environment;
- directing and advising the hotel operators through appropriate, qualified and competent personnel, with particular focus on:
 - financial controls;
 - effective sales and marketing programmes;
 - revenue management;
 - operating standards and procedures; and

- maintaining of facilities.
- investigating and overseeing property expansions, refurbishments or new project developments.

Portfolio strategy

In line with the focus on quality properties, the strategy is to:

- Focus on the acquisition of large hotel properties in metropolitan areas with diverse source markets and strong brands;
- The disposal of properties that does not fit the Issuer's investment profile;
- Continuous investment in existing properties to enhance value proposition of the portfolio objectives; and
- Diversification of the hotel management companies.

9. KEY POTENTIAL RISKS FACING THE BUSINESS

The Board, assisted by the Audit and Risk Committee is primarily responsible for overseeing risk management. The committee, the board as a whole and management recognise that it is essential to manage those risks that may have a direct or indirect impact on the Issuer's performance and its sustainability. Measures to mitigate key risks facing the Issuer have been identified and implemented, whether they are systemic or specific to the organisation.

A summary of the major strategic risks and the mitigation measures are detailed in the table below:

Risk	Risk Identification	Risk Mitigation
Lack of capital investment in critical infrastructure upkeep	The capital intensive nature of HPF's assets results in a higher capital spend requirement in comparison to other REITs. Failure to maintain properties to their star grading standards will result in loss of profits and associated reputational damage over time	Additional R100m Nedbank loan concluded in April 2016 to fund capex for FY2017. Rolling twelve-month cash flow is reviewed at Audit and the Risk Executive Management is considering the creation of a capital reserve or an alternative solution Committee.

Terrorism	International terrorism threat to tourist destinations	Maintaining levels of awareness of current affairs. Engagement with and review of hotel operator/tenants security protocols. Management will review Hotel Operator/Tenants security protocol.
Refinancing risk	On expiry of loans, refinancing is subject to financial institutions' and note investors' internal credit policies and risk assessment of HPF's business which may result in loans/notes not being refinanced or refinanced at unfavourable terms to HPF.	High cost of funding reducing distributable income. Negative impact on reputation. Negative impact on operations such as the upkeep of the properties. Unable to refinance expired loans and debt resulting in the company being unable to settle its liabilities. Management will continue to investigate alternative sources of finance (debt).
Compliance with laws, regulations and policies	New and amended legislation is continually being introduced, e.g. POPI, BBEE, REIT, which are increasing in complexity. This leads to a greater risk of non-compliance.	Engage with training providers or consultants on new laws and regulations. Engage with legal advisors. Compiling a legal register which will provide awareness on the various laws and regulations that apply to HPF and the controls in place to ensure compliance thereof.
Credit risk	Tenant default	Deposits and bank guarantees are in place. Monthly meetings held to review tenants' financial performance and continuous engagement to identify inability to service of rentals. Tenant diversification.
Interest rate risk	Volatility in interest rates	Managing market risk through interest rate swaps and fixed rate loans to reduce interest rate risk. The loan to value ratio is limited to 40%.

Underperformance of Hotel operator/ tenant	<p>Potential loss of revenue due to poor sales and marketing strategies implemented by the Hotel Operator/tenant.</p> <p>Properties not being adequately maintained by the Hotel Operator/tenant, affecting guest experience, and causing brand reputational damage.</p>	<p>Maintaining strong relationships with major hotel brands.</p> <p>Diversification of hotel management companies.</p> <p>Continuous management of the operators.</p>
Unreliable supply of water, electricity, and other utilities	Deteriorating local infrastructure such as power stations, water treatment plants and the road and rail network may result in the non-supply of utilities to properties	Introduction of generators, sewerage treatment plants and water storage vessels
Destruction or damage of property	Partial or destruction of a hotel and infrastructure, resulting in hotels not being operational, which will cause loss of income to tenant and rental income to the Fund.	Assets are insured at replacement cost, business interruption and riots insurance held with reputable underwriters with a strong credit rating insurance. Policies are in place and reviewed annually.
Investment risk	Making poor investments or acquiring property with latent defaults, including structural faults, land and other claims against the property and/or other regulatory non-compliance matters.	A formal due diligence is performed by an expert service provider prior to final acquisition. Thereafter the Investment Committee considers and approves all investments.
Valuation risk	Properties are measured and reported at incorrect fair values, resulting in a misstatement of assets	HPF engages the services of an Independent Professional Associate (JHI) to perform the valuation on the property portfolio on an annual basis

Please refer to the latest Integrated Report for further information

10. LITIGATION

The Issuer is currently engaged in a legal dispute with a dissenting shareholder. On 21 August 2015, the Issuer received a demand from a shareholder in terms of section 164(11) of the Companies Act, 2008, to pay an amount equal to the fair value of 8 320 397 B shares. The Issuer offered to pay the shareholder an amount of R2.90 per share, totalling R24.1 million. The 8 320 397 B shares lost its voting and economic rights and are now considered to be shares held in treasury. The shareholder did not accept the offer it received and approached the legal courts to determine what it perceives as the fair value of the shares in question and the amount that should be paid. As it is not possible to determine what the outcome of the court ruling would be, the Issuer provided for the offer it made to the shareholder as a liability and is confident that positive ruling would be received.

INVESTOR CONSIDERATIONS

Capitalised terms used in this section headed “Investor Considerations” shall bear the same meanings as used in the Terms and Conditions, except to the extent that they are separately defined in this section or this is clearly inappropriate from the context.

The Issuer believes that the factors outlined below may affect its ability to fulfil its obligations under the Notes. All of these factors are contingencies which may or may not occur and the Issuer is not in a position to express a view on the likelihood of any such contingency occurring. In addition, factors which are material for the purpose of assessing the market risks associated with the Notes are also described below. The value of the Notes could decline due to any of these risks, and investors may lose some or all of their investment.

The Issuer believes that the factors described below represent the principal risks inherent in investing in the Notes, but the inability of the Issuer to pay interest, principal or other amounts on or in connection with any Notes may occur for other reasons which may not be considered significant risks by the Issuer based on information currently available to it, or which it may not currently be able to anticipate. Accordingly, the Issuer does not represent that the statements below regarding the risks of holding any Notes are exhaustive.

Prospective investors should also read the detailed information set out elsewhere in this Programme Memorandum to reach their own views prior to making any investment decision.

References below to the “Terms and Conditions”, in relation to Notes, shall mean the “Terms and Conditions of the Notes” set out set out under the section of this Programme Memorandum headed “Terms and Conditions of the Notes”.

Factors that may affect the Issuer’s ability to fulfil its obligations under Notes issued under the Programme

Risks Relating to the Notes

The Notes may not be a suitable investment for all investors

Each potential investor in any Notes must determine the suitability of that investment in light of its own circumstances. In particular, each potential investor should:

- have sufficient knowledge and experience to make a meaningful evaluation of the Notes, the merits and risks of investing in the Notes and the information contained or incorporated by reference in this Programme Memorandum or any applicable supplement;
- have access to, and knowledge of, appropriate analytical tools to evaluate, in the context of its particular financial situation, an investment in the Notes and the impact such an investment will have on its overall investment portfolio;
- have sufficient financial resources and liquidity to bear all of the risks of an investment in the Notes, including Notes with principal or interest payable in one or more currencies, or where the currency for principal or interest payments is different from the potential investor’s currency;
- understand thoroughly the terms of the Notes and be familiar with the behaviour of any relevant indices and financial markets; and
- be able to evaluate (either alone or with the help of a financial adviser) possible scenarios for economic, interest rate and other factors that may affect its investment and its ability to bear the applicable risks.

Some Notes are complex financial instruments. Sophisticated institutional investors generally do not purchase complex financial instruments as stand-alone investments. They purchase complex financial instruments as a way to reduce risk or enhance yield with an understood, measured and appropriate addition of risk to their overall portfolios. A potential investor should not invest in Notes which are complex financial instruments unless it has the expertise (either alone or with a financial adviser) to evaluate how the Notes will perform under changing conditions, the resulting effects on the value of the Notes and the impact this investment will have on the potential investor’s overall investment portfolio.

There is no active trading market for the Notes

Notes issued under the Programme will be new securities which may not be widely distributed and for which there is currently no active trading market (unless in the case of any particular Tranche, such Tranche is to be consolidated with and form a single series with a Tranche of Notes which is already issued). If the Notes are traded after their initial issuance, they may trade at a discount to their initial offering price, depending upon prevailing interest rates, the market for similar securities, general economic conditions and the financial condition of the Issuer. There is no assurance as to the development or liquidity of any trading market for any particular Tranche of Notes.

The Notes may be redeemed prior to maturity

Unless in the case of any particular Tranche of Notes the Applicable Pricing Supplement specifies otherwise, in the event that the Issuer would be obliged to increase the amounts payable in respect of any Notes due to any withholding or deduction for or on account of any present or future taxes, duties, assessments or governmental charges of whatever nature imposed, levied, collected, withheld or assessed by or on behalf of the government of South Africa or any political subdivision thereof or any authority therein or thereof having power to tax, the Issuer may redeem all outstanding Notes in accordance with the Conditions.

In addition, if in the case of any particular Tranche of Notes the Applicable Pricing Supplement specifies that the Notes are redeemable at the Issuer's option in certain other circumstances, the Issuer may choose to redeem the Notes at times when prevailing interest rates may be relatively low. In such circumstances an investor may not be able to reinvest the redemption proceeds in a comparable security at an effective interest rate as high as that of the relevant Notes.

Because uncertificated Notes are held by or on behalf of the CSD, investors will have to rely on their procedures for transfer, payment and communication with the Issuer

Notes issued under the Programme which are listed on the Interest Rate Market of the JSE or such other or additional Financial Exchange and/or held in the CSD must, subject to Applicable Laws and the Applicable Procedures, be issued in uncertificated form. Unlisted Notes may also be held in the CSD in uncertificated form. Notes held in the CSD will be issued, cleared and settled in accordance with the Applicable Procedures through the electronic settlement system of the CSD. Except in the limited circumstances described in the Terms and Conditions, investors will not be entitled to receive Individual Certificates. The CSD will maintain records of the Beneficial Interests in Notes and/or issued in uncertificated form, which are held in the CSD (whether such Notes are listed or unlisted). Investors will be able to trade their Beneficial Interests only through the CSD and in accordance with the Applicable Procedures.

Payments of principal and/or interest in respect of uncertificated Notes will be made to the relevant Participant and the Issuer will discharge its payment obligations under the Notes by making payments to or to the order of the relevant Participant for distribution to their account holders. A holder of a Beneficial Interest in uncertificated Notes, whether listed or unlisted, must rely on the procedures of the CSD to receive payments under the relevant Notes. Each investor shown in the records of the CSD or the Participants, as the case may be, shall look solely to the CSD or the Participant, as the case may be, for his share of each payment so made by the Issuer to the registered holder of such uncertificated Notes. The Issuer has no responsibility or liability for the records relating to, or payments made in respect of, such Beneficial Interests.

Holders of Beneficial Interests in uncertificated Notes will not have a direct right to vote in respect of the relevant Notes. Instead, such holders will be permitted to act only to the extent that they are enabled by the CSD to appoint appropriate proxies.

Recourse to the BESA Guarantee Fund Trust

The holders of Notes that are not listed on the Interest Rate Market of the JSE will have no recourse against the BESA Guarantee Fund Trust. Claims against the BESA Guarantee Fund Trust may only be made in respect of the trading of Notes listed on the Interest Rate Market of the JSE and in accordance with the rules of the BESA Guarantee Fund Trust. Unlisted notes are not regulated by the JSE.

Credit Rating

Tranches of Notes issued under the Programme, the Issuer and/or the Programme, as the case may

be, may be rated or unrated. A Rating is not a recommendation to buy, sell or hold securities and may be subject to suspension, reduction or withdrawal at any time by the assigning Rating Agency. Any adverse change in an applicable credit rating could adversely affect the trading price for the Notes issued under the Programme.

Risks related to the structure of the particular issue of Notes

A wide range of Notes may be issued under the Programme. A number of these Notes may have features which contain particular risks for potential investors. Set out below is a description of certain such features:

Notes subject to optional redemption by the Issuer

An optional redemption feature is likely to limit the market value of the Notes. During any period when the Issuer may elect to redeem the Notes, the market value of those Notes generally will not rise substantially above the price at which they can be redeemed. This also may be true prior to any redemption period. The Issuer may be expected to redeem Notes when its cost of borrowing is lower than the interest rate on the Notes. At those times, an investor generally would not be able to re-invest the redemption proceeds at an effective interest rate as high as the interest rate on the Notes being redeemed and may only be able to do so at a significantly lower rate. Potential investors should consider reinvestment risk in light of other investments available at that time.

Index-Linked and Dual Currency Notes

The Issuer may issue Notes the terms of which provide for interest or principal payable in respect of such Note to be determined by reference to an index or formula, to changes in the prices of securities or commodities, to movements in currency exchange rates or other factors (each, a “**Relevant Factor**”) or with principal or interest payable in one or more currencies which may be different from the currency in which the Notes are denominated. Potential investors should be aware that:

- the market price of such Notes may be volatile;
- no interest may be payable on such Notes;
- payments of principal or interest on such Notes may occur at a different time or in a different currency than expected;
- the amount of principal payable at redemption may be less than the nominal amount of such Notes or even zero;
- a Relevant Factor may be subject to significant fluctuations that may not correlate with changes in interest rates, currencies or other indices;
- if a Relevant Factor is applied to Notes in conjunction with a multiplier greater than one or contains some other leverage factor, the effect of changes in the Relevant Factor on principal or interest payable is likely to be magnified; and
- the timing of changes in a Relevant Factor may affect the actual yield to investors, even if the average level is consistent with their expectations. In general, the earlier the change in the Relevant Factor, the greater the effect on yield.

Partly-paid Notes

The Issuer may issue Notes where the issue price is payable in more than one instalment. Failure to pay any subsequent instalment could result in an investor losing all of its investment.

Notes issued at a substantial discount or premium

The market values of securities issued at a substantial discount or premium from their principal amount tend to fluctuate more in relation to general changes in interest rates than do prices for conventional interest-bearing securities. Generally, the longer the remaining term of the securities, the greater the price volatility as compared to conventional interest-bearing securities with comparable maturities.

Variable Rate Notes with a multiplier or other leverage factor

Notes with variable interest rates can be volatile investments. If they are structured to include multipliers or other leverage factors, or caps or floors, or any combination of those features or other similar related features, their market values may be even more volatile than those for securities that

do not include those features.

Fixed/Floating Rate Notes

Fixed/Floating Rate Notes may bear interest at a rate that the Issuer may elect to convert from a fixed rate to a floating rate, or from a floating rate to a fixed rate. The Issuer's ability to convert the interest rate will affect the secondary market and the market value of such Notes since the Issuer may be expected to convert the rate when it is likely to produce a lower overall cost of borrowing. If the Issuer converts from a fixed rate to a floating rate, the spread on the Fixed/Floating Rate Notes may be less favourable than then prevailing spreads on comparable Floating Rate Notes tied to the same reference rate. In addition, the new floating rate may at any time be lower than the rates on other Notes. If the Issuer converts from a floating rate to a fixed rate, the fixed rate may be lower than then prevailing rates on its Notes.

Notes where denominations involve integral multiples: Individual Certificates

In relation to any issue of Notes which have denominations consisting of a minimum Specified Denomination plus one or more higher integral multiples of another smaller amount, it is possible that such Notes may be traded in amounts that are not integral multiples of such minimum Specified Denomination. In such a case a holder who, as a result of trading such amounts, holds an amount which is less than the minimum Specified Denomination in his account with the relevant clearing system at the relevant time may not receive an Individual Certificate in respect of such holding and would need to purchase a Principal Amount of Notes such that its holding amounts to a minimum Specified Denomination.

If Individual Certificates are issued, holders should be aware that Individual Certificates which have a denomination that is not an integral multiple of the minimum Specified Denomination may be illiquid and difficult to trade.

Ranking of Notes

The Issuer may from time to time issue secured notes under the Programme which may be directly or indirectly secured by, amongst other things immovable properties, owned by members of the Hospitality Group. Accordingly, any unsecured notes will not have a *pari passu* ranking with respect of the benefits of security granted in favour of holders of such secured notes and will only have rights to the proceeds of the realisation of such security (if any) available after the holders of secured notes and any further secured or preferred creditors have been paid and settled in full.

Modification and waivers and substitution

The Conditions contain provisions for calling meetings of Noteholders to consider matters affecting their interests generally. These provisions permit defined majorities to bind all Noteholders including Noteholders who did not attend and vote at the relevant meeting and Noteholders who voted in a manner contrary to the majority.

Change of law

The Notes are governed by, and will be construed in accordance with, South African law in effect as at the Programme Date. No assurance can be given as to the impact of any possible judicial decision or change to South African law or administrative practice in South Africa after the Programme Date.

Legal investment considerations may restrict certain investments

The investment activities of certain investors are subject to legal investment laws and regulations, or review or regulation by certain authorities. Each potential investor should consult its legal advisers to determine whether and to what extent (1) Notes are legal investments for it, (2) Notes can be used as collateral for various types of borrowing and (3) other restrictions apply to its purchase or pledge of any Notes. Financial institutions should consult their legal advisers or the appropriate regulators to determine the appropriate treatment of Notes under any applicable risk-based capital or similar rules.

Risks Relating to the Issuer's Business

Please refer to pages 69 to 81 of the section entitled "*Description of Hospitality Property Fund Limited*" for a detailed descriptions of the risks relating to the business of the Issuer.

SETTLEMENT, CLEARING AND TRANSFER OF NOTES

Capitalised terms used in this section headed "Settlement, Clearing and Transfer of Notes" shall bear the same meanings as used in the Terms and Conditions, except to the extent that they are separately defined in this section or this is clearly inappropriate from the context.

Notes listed on the Interest Rate Market of the JSE and/or held in the CSD

Each Tranche of Notes which is listed on the Interest Rate Market of the JSE in uncertificated form will be held in the CSD. A Tranche of unlisted Notes may also be held in the CSD.

Clearing systems

Each Tranche of Notes listed on the Interest Rate Market of the JSE will be issued, cleared and settled in accordance with the Applicable Procedures for the time being of the JSE and the CSD through the electronic settlement system of the CSD. Such Notes will be cleared by Participants who will follow the electronic settlement procedures prescribed by the JSE and the CSD.

The CSD has, as the operator of an electronic clearing system, been appointed by the JSE to match, clear and facilitate the settlement of transactions concluded on the JSE. Subject as aforesaid each Tranche of Notes which is listed on the Interest Rate Market of the JSE will be issued, cleared and transferred in accordance with the Applicable Procedures and the Terms and Conditions, and will be settled through Participants who will comply with the electronic settlement procedures prescribed by the JSE and the CSD. The Notes may be accepted for clearance through any additional clearing system as may be agreed between the JSE, the Issuer and the Dealer(s).

Participants

The CSD maintains accounts only for Participants. As at the Programme Date, the Participants which are approved by the CSD, in terms of the listing requirements of the JSE, as Settlement Agents to perform electronic settlement of funds and scrip are Citibank N.A. South Africa Branch; FirstRand Bank Limited; Nedbank Limited; Standard Chartered Bank, Johannesburg Branch; Société Générale, Johannesburg Branch; The Standard Bank of South Africa Limited and the South African Reserve Bank. Euroclear, as operator of the Euroclear System, and Clearstream will settle offshore transfers in the Notes through their Participants.

Settlement and clearing

Participants will be responsible for the settlement of scrip and payment transfers through the CSD, the JSE and the South African Reserve Bank.

While a Tranche of Notes is held in the CSD, the relevant Participant will be named in the Register as the sole Noteholder of the Notes in that Tranche in accordance with Applicable Procedures. Notwithstanding this, all amounts to be paid and all rights to be exercised in respect of Notes held in the CSD will be paid to and may be exercised only by the CSD for the holders of Beneficial Interests in such Notes.

In relation to each Person shown in the records of the CSD or the relevant Participant, as the case may be, as the holder of a Beneficial Interest in a particular Nominal Amount of Notes, a certificate or other document issued by the CSD or the relevant Participant, as the case may be, as to the Nominal Amount of such Notes standing to the account of such Person shall be *prima facie* proof of such Beneficial Interest. The relevant Participant (as the registered Noteholder of such Notes named in the Register) will be treated by the Issuer, the Paying Agent, the Transfer Agent and the relevant Participant as the holder of that aggregate Nominal Amount of such Notes for all purposes.

Payments of all amounts in respect of a Tranche of Notes which is listed on the Interest Rate Market of the JSE and/or held in uncertificated form will be made to the relevant Participant, as the registered Noteholder of such Notes, which in turn will transfer such funds, via the Participants, to the holders of Beneficial Interests. Each of the Persons reflected in the records of the CSD or the relevant Participant, as the case may be, as the holders of Beneficial Interests in Notes shall look solely to the CSD or the relevant Participant, as the case may be, for such Person's share of each payment so made by (or on behalf of) the Issuer to, or for the order of, the relevant Participant, as the registered Noteholder of such Notes.

Payments of all amounts in respect of a Tranche of Notes which is listed on the Interest Rate Market of the JSE and/or held in uncertificated form will be recorded by the relevant Participant, as the

registered Noteholder of such Notes, distinguishing between interest and principal, and such record of payments by the relevant Participant, as the registered Noteholder of such Notes, shall be *prima facie* proof of such payments.

Transfers and exchanges

Subject to the Applicable Laws, title to Beneficial Interest held by clients of Participants indirectly through such Participants will be freely transferable and pass on transfer thereof by electronic book entry in the securities accounts maintained by such Participants for such clients. Subject to the Applicable Laws, title to Beneficial Interests held by Participants directly through the CSD will be freely transferable and pass on transfer thereof by electronic book entry in the central securities accounts maintained by the CSD for such Participants. Beneficial Interests may be transferred only in accordance with the Applicable Procedures.

Beneficial Interests may be exchanged for Notes represented by Individual Certificates in accordance with Condition 14.2 (*Transfer of Notes represented by Individual Certificates*).

Records of payments, trust and voting

Neither the Issuer nor the Paying Agent will have any responsibility or liability for any aspect of the records relating to, or payments made on account of, Beneficial Interests, or for maintaining, supervising or reviewing any records relating to Beneficial Interests. Neither the Issuer nor the Paying Agent nor the Transfer Agent will be bound to record any trust in the Register or to take notice of or to accede to the execution of any trust (express, implied or constructive) to which any Note may be subject. Holders of Beneficial Interests vote in accordance with the Applicable Procedures.

BESA Guarantee Fund Trust

The holders of Notes that are not listed on the Interest Rate Market of the JSE will have no recourse against the JSE or the BESA Guarantee Fund Trust. Claims against the BESA Guarantee Fund Trust may only be made in respect of the trading of the Notes listed on the Interest Rate Market of the JSE and in accordance with the rules of the BESA Guarantee Fund Trust.

Notes listed on any Financial Exchange other than (or in addition to) the Interest Rate Market of the JSE

Each Tranche of Notes which is listed on any Financial Exchange other than (or in addition to) the Interest Rate Market of the JSE will be issued, cleared and settled in accordance with the rules and settlement procedures for the time being of that Financial Exchange. The settlement and redemption procedures for a Tranche of Notes which is listed on any Financial Exchange (other than or in addition to the JSE) will be specified in the Applicable Pricing Supplement.

SUBSCRIPTION AND SALE

Capitalised terms used in this section headed "Subscription and Sale" shall bear the same meanings as used in the Terms and Conditions, except to the extent that they are separately defined in this section or clearly inappropriate from the context.

The Dealer has in terms of the amended and restated programme agreement dated 28 April 2017, as may be amended, supplemented or restated from time to time (the **Programme Agreement**), agreed with the Issuer a basis upon which it may from time to time agree to subscribe for Notes or procure the subscription of the Notes.

Selling restrictions

South Africa

The Dealer has (or will have) represented, warranted and agreed that it (i) will not offer Notes for subscription, (ii) will not solicit any offers for subscription for or sale of the Notes, and (iii) will itself not sell or offer the Notes in South Africa in contravention of the Companies Act, Banks Act, Exchange Control Regulations and/or any other applicable laws and regulations of South Africa in force from time to time.

Prior to the issue of any Tranche of Notes under the Programme, the Dealer who has (or will have) agreed to place that Tranche of Notes will be required to represent and agree that it will not make an "offer to the public" (as such expression is defined in the Companies Act, and which expression includes any section of the public) of Notes (whether for subscription, purchase or sale) in South Africa. This Programme Memorandum does not, nor is it intended to, constitute a prospectus prepared and registered under the Companies Act.

Offers not deemed to be offers to the public

To the extent that any offer for subscription for, or sale of, Notes is made:

- (a) the total contemplated acquisition cost of Notes, for any single addressee acting as principal, shall be equal to or greater than ZAR1,000,000, or such higher amount as may be promulgated by notice in the Government Gazette of South Africa pursuant to section 96(2)(a) of the Companies Act; or
- (b) to certain investors contemplated in section 96(1)(a) of the Companies Act.

Information made available in this Programme Memorandum should not be considered as "advice" as defined in the Financial Advisory and Intermediary Services Act, 2002.

United States

The Notes have not been and will not be registered under the United States Securities Act of 1933, as amended (the **Securities Act**) and may not be offered or sold within the United States or to, or for the account or benefit of, U.S. Persons except in certain transactions exempt from the registration requirements of the Securities Act. Terms used in this paragraph have the meanings given to them by Regulation S under the Securities Act.

Prior to the issue of any Tranche of Notes under the Programme, each Dealer who has (or will have) agreed to place that Tranche of Notes will be required to represent and agree that:

- (a) the Notes in that Tranche have not been and will not be registered under the Securities Act and may not be offered or sold within the United States or to, or for the account or benefit of, U.S. Persons except in certain transactions exempt from the registration requirements of the Securities Act;
- (b) it has not offered, sold or delivered any Notes in that Tranche and will not offer, sell or deliver any Notes in that Tranche (i) as part of their distribution at any time or (ii) otherwise until 40 (forty) Days after completion of the distribution, as determined and certified by the Dealer or, in the case of an issue of such Notes on a syndicated basis, the relevant Lead Manager, of all Notes of the Series of which that Tranche of Notes is a part, within the United States or to, or for the account or benefit of, U.S. Persons;
- (c) it will send to each dealer to which it sells any Notes in that Tranche during the distribution compliance period a confirmation or other notice setting forth the restrictions on offers and

sales of such Notes within the United States or to, or for the account or benefit of, U.S. Persons; and

- (d) it, its Affiliates and any Persons acting on its or any of its Affiliates behalf have not engaged and will not engage in any directed selling efforts in the United States (as defined in Regulation S under the Securities Act) with respect to the Notes in that Tranche and it, its Affiliates and any Persons acting on its or any of its Affiliates' behalf have complied and will comply with the offering restrictions requirements of Regulation S.

Until 40 (forty) Days after the commencement of the offering of a Series of Notes, an offer or sale of such Notes within the United States by any dealer (whether or not participating in the offering) may violate the registration requirements of the Securities Act if such offer or sale is made otherwise than in accordance with an exemption from registration under the Securities Act.

European Economic Area

Prior to the issue of any Tranche of Notes under the Programme, each Dealer who has (or will have) agreed to place that Tranche of Notes will be required to represent and agree that, in relation to each Member State of the European Economic Area which has implemented the Prospectus Directive (each a **Relevant Member State**), with effect from and including the date on which the Prospectus Directive is implemented in that Relevant Member State (the **Relevant Implementation Date**) it has not made and will not make an offer of any of such Notes to the public in that Relevant Member State except that it may, with effect from and including the Relevant Implementation Date, make an offer of any of such Notes to the public in that Relevant Member State:

- (a) in the period beginning on the date of publication of a prospectus in relation to those Notes which has been approved by the competent authority in that Relevant Member State in accordance with the Prospectus Directive and/or, where appropriate, published in another Relevant Member State and notified to the competent authority in that Relevant Member State in accordance with Article 18 of the Prospectus Directive and ending on the date which is 12 (twelve) months after the date of such publication; or
- (b) at any time to any legal entity which is a qualified investor as defined in the Prospectus Directive; or
- (c) at any time to fewer than 100 or, if the relevant Member State has implemented the relevant provision of the 2010 PD Amending Directive, 150, natural or legal persons (other than qualified investors as defined in the Prospectus Directive) subject to obtaining the prior consent of the relevant Dealer or Dealers nominated by the Issuer for any such offer; or
- (d) at any time in any other circumstances which do not require the publication by the Issuer of a prospectus pursuant to Article 3 of the Prospectus Directive.

For the purposes of this provision, the expression an “*offer of Notes to the public*” in relation to any Notes in any Relevant Member State means the communication in any form and by any means of sufficient information on the terms of the offer and the Notes to be offered so as to enable an investor to decide to purchase or subscribe for the Notes, as the same may be varied in that Member State by any measure implementing the Prospectus Directive in that Member State and the expression “*Prospectus Directive*” means Directive 2003/71/EC (and amendments thereto including the 2010 PD Amending Directive, to the extent implemented in the Relevant Member State) and includes any relevant implementing measure in each Relevant Member State and the expression “*2010 PD Amending Directive*” means Directive 2010/73/EU.

United Kingdom

Prior to the issue of any Tranche of Notes under the Programme, each Dealer who has (or will have) agreed to place that Tranche of Notes will be required to represent and agree that:

- (a) in relation to any of the Notes in that Tranche which have a maturity of less than one year, (i) it is a Person whose ordinary activities involve it in acquiring, holding, managing or disposing of investments (as principal or agent) for the purposes of its business and (ii) it has not offered or sold and will not offer or sell any of such Notes other than to Persons whose ordinary activities involve them in acquiring, holding, managing or disposing of investments (as principal or agent) for the purposes of their businesses or who it is reasonable to expect will acquire, hold, manage or dispose of investments (as principal or agent) for the purposes of their businesses

where the issue of such Notes would otherwise constitute a contravention of section 19 of the Financial Services and Markets Act, 2000 (the **FSMA**) by the Issuer;

- (b) it has only communicated or caused to be communicated and will only communicate or cause to be communicated an invitation or inducement to engage in investment activity (within the meaning of section 21 of the FSMA) received by it in connection with the issue or sale of any of the Notes in that Tranche under circumstances in which section 21(1) of the FSMA does not apply to the Issuer; and
- (c) it has complied and will comply with all applicable provisions of the FSMA with respect to anything done by it in relation to any of the Notes in that Tranche in, from or otherwise involving the United Kingdom.

General

Prior to the issue of any Tranche of Notes under the Programme, each Dealer who has (or will have) agreed to place that Tranche of Notes will be required to agree that:

- (a) it will (to the best of its knowledge and belief) comply with all applicable securities laws and regulations in force in each jurisdiction in which it purchases, subscribes or procures the subscription for, offers or sells Notes in that Tranche or has in its possession or distributes the Programme Memorandum and will obtain any consent, approval or permission required by it for the purchase, subscription, offer or sale by it of Notes in that Tranche under the laws and regulations in force in any jurisdiction to which it is subject or in which it makes such purchases, subscription, offers or sales; and
- (b) it will comply with such other or additional restrictions as the Issuer and such Dealer agree and as are set out in the Applicable Pricing Supplement.

Neither the Issuer nor any of the Dealers represent that Notes may at any time lawfully be subscribed for or sold in compliance with any applicable registration or other requirements in any jurisdiction or pursuant to any exemption available thereunder nor assumes any responsibility for facilitating such subscription or sale.

SOUTH AFRICAN TAXATION

Capitalised terms used in this section headed “South African Taxation” shall bear the same meanings as used in the Terms and Conditions, except to the extent that they are separately defined in this section or this is clearly inappropriate from the context.

The comments below are intended as a general guide to the relevant tax laws of South Africa as at the Programme Date. The contents of this section headed “South African Taxation” do not constitute tax advice and do not purport to describe all of the considerations that may be relevant to a prospective subscriber for or purchaser of any Notes. Prospective subscribers for or purchasers of any Notes should consult their professional advisers in this regard.

Securities Transfer Tax

The issue, transfer and redemption of the Notes will not attract securities transfer tax under the Securities Transfer Tax Act, 2007 (the **STT Act**) because the Notes do not constitute “securities” as defined in the STT Act. Any future transfer duties and/or taxes that may be introduced in respect of (or applicable to) the transfer of Notes will be for the account of holders of the Notes.

Value-Added Tax

No value-added tax (**VAT**) is payable on the issue or transfer of the Notes. The issue, sale or transfer of the Notes constitute “financial services” as defined in section 2 of the Value-Added Tax Act, 1991 (the **VAT Act**). In terms of section 2 of the VAT Act, the issue, allotment, drawing, acceptance, endorsement or transfer of ownership of a debt security as well as the buying and selling of derivatives constitute a financial service, which is exempt from VAT in terms of section 12(a) of the VAT Act.

However, commissions, fees or similar charges raised for the facilitation of the issue, allotment, drawing, acceptance, endorsement or transfer of ownership of Notes constitute “*debt securities*” as defined in section 2(2)(iii) of the VAT Act will be subject to VAT at the standard rate (currently 14 percent), except where the recipient is a non-resident as contemplated below.

Services (including exempt financial services) rendered to non-residents who are not in South Africa when the services are rendered, are subject to VAT at the zero rate in terms of section 11(2)(l) of the VAT Act.

Income Tax

Under current taxation law effective in South Africa a “*resident*” (as defined in section 1 of the Income Tax Act) is subject to income tax on his/her worldwide income. Accordingly, all Noteholders who are “*residents*” of South Africa will generally be liable to pay income tax, subject to available deductions, allowances and exemptions, on any income (including income in the form of interest) earned in respect of the Notes. Non-residents of South Africa are subject to income tax on all income derived from a South African source (subject to domestic exemptions or relief in terms of an applicable double taxation treaty).

Interest income is derived from a South African source if that amount:

- (a) is incurred by a person that is a South African tax resident, unless the interest is attributable to a foreign permanent establishment of that resident; or
- (b) is derived from the utilisation or application in South Africa by any person of any funds or credit obtained in terms of any form of “*interest-bearing arrangement*”.

The Notes will constitute an “*interest-bearing arrangement*”. The Issuer is tax resident in South Africa as at the Programme Date. Accordingly, unless the Notes are attributable to a permanent establishment of the Issuer outside of South Africa, the interest paid to the Noteholders will be from a South African source and subject to South African income tax unless such income is exempt under section 10(1)(h) of the Income Tax Act (see below).

Under section 10(1)(h) of the Income Tax Act, any amount of interest that is received or accrued by or to a Noteholder who, or which, is not a resident of South Africa during any year of assessment is exempt from income tax, unless:

- (a) that person is a natural person who was physically present in South Africa for a period exceeding 183 days in aggregate during the twelve month period preceding the date on which the interest is received by, or accrues to, that person; or
- (b) the debt from which the interest arises is effectively connected to a permanent establishment of that person in South Africa.

If a Noteholder does not qualify for the exemption under Section 10(1)(h) of the Income Tax Act, an exemption from, or reduction of any South African income tax liability may be available under an applicable double taxation treaty.

Furthermore, certain entities may be exempt from income tax. Purchasers are advised to consult their own professional advisers as to whether the interest income earned on the Notes will be exempt under section 10(1)(h) of the Income Tax Act or under an applicable double taxation treaty.

Under section 24J of the Income Tax Act, broadly speaking, any discount or premium to the principal amount of a Note is treated as part of the interest income on the Note. Interest income which accrues (or is deemed to accrue) to a Noteholder is deemed, in accordance with section 24J of the Income Tax Act, to accrue on a day-to-day basis until that Noteholder disposes of the Note or until maturity unless an election has been made by the Noteholder, which is a company, if the Noteholder is entitled under Section 24J(9) of the Income Tax Act to make such election, to treat its Notes as trading stock on a mark-to-market basis. This day-to-day basis accrual is determined by calculating the yield to maturity (as defined in Section 24J of the Income Tax Act) and applying this rate to the capital involved for the relevant tax period. The premium or discount is treated as interest for the purposes of the exemption under section 10(1)(h) of the Income Tax Act.

Section 24JB deals with the fair value taxation of financial instruments for certain types of taxpayers (**covered persons**). Noteholders should seek advice as to whether these provisions may apply to them.

To the extent the disposal of the Note gives rise to a gain or a loss, the normal principles are to be applied in determining whether such gain or loss should be subject to income tax in terms of the Income Tax Act.

Capital Gains Tax

Capital gains and losses of residents of South Africa on the disposal of Notes are subject to capital gains tax unless the Notes are purchased for re-sale in the short term as part of a scheme of profit making, in which case the proceeds will be subject to income tax. Any discount or premium on acquisition which has already been treated as interest for income tax purposes under section 24J of the Income Tax Act will not be taken into account when determining any capital gain or loss. In terms of section 24J(4A) of the Income Tax Act an adjusted loss on transfer or redemption will, to the extent that it has previously been included in the taxable income of the holder (as interest), be allowed as a deduction from the taxable income of the holder when it is incurred during the year of assessment in which the transfer or redemption takes place, and accordingly will not give rise to a capital loss.

Capital gains tax under the Eighth Schedule to the Income Tax Act will not be levied in relation to Notes disposed of by a Person who is not a resident of South Africa unless the Notes disposed of are attributable to a permanent establishment of that Person through which a trade is carried on in South Africa during the relevant year of assessment.

Purchasers are advised to consult their own professional advisers as to whether a disposal of Notes will result in a liability to capital gains tax.

Withholding Tax

A final withholding tax on interest is levied at the rate of 15%, applying to interest payments made from a South African source to foreign persons (i.e. non-residents) subject to certain exemptions (see below). South Africa is also a party to double taxation treaties that may provide full or partial relief from the withholding tax on interest, provided that certain requirements are met.

The available exemptions apply in respect of the instrument giving rise to the interest, to the foreign person receiving the interest, or to the person liable for the interest (i.e. the Issuer).

Regarding the exemptions applicable in respect of the instrument, an amount of interest is exempt if it is paid to a foreign person in terms of “*listed debt*”, being debt listed on a “*recognised exchange*”, as

defined in terms of paragraph 1 of the Eighth Schedule to the Income Tax Act. The Notes may be listed on a recognised exchange. Thus, to the extent that the Notes remain listed on that exchange (and to the extent that that exchange remains a recognised exchange), any interest paid to a foreign person in respect of the Notes will be exempt from the withholding tax on interest. If the Notes are not listed on a recognised exchange, then the interest paid to a foreign person will not be exempt from the withholding tax on interest unless another exemption is applicable.

Regarding the exemptions applicable in respect of the foreign person receiving the interest, an amount of interest is exempt if–

- (a) that foreign person is a natural person who was physically present in South Africa for a period exceeding 183 days in aggregate during the twelve month period preceding the date on which the interest is paid;
- (b) the debt claim in respect of which that interest is paid is effectively connected with a permanent establishment of that foreign person in South Africa, if that foreign person is registered as a taxpayer in terms of Chapter 3 of the Tax Administration Act, 2011; and
- (c) The foreign person submits a declaration confirming their exemption to the person liable for the payment of the interest before payment of the interest is made.

If a foreign person does not qualify for the above exemption, then any interest paid to that foreign person will not be exempt from the withholding tax on interest unless another exemption is applicable.

Regarding the exemptions applicable in respect of the person liable for the interest, none of these will be applicable in respect of the Issuer. Thus, if the exemptions in respect of listed debt and foreign persons above are not applicable, then any interest paid to a foreign person will not be exempt from the withholding tax.

Definition of Interest

The references to “*interest*” above means “*interest*” as understood in South African tax law. The statements above do not take account of any different definitions of “*interest*” or “*principal*” which may prevail under any other law or which may be created by the Terms and Conditions or any related documentation.

SOUTH AFRICAN EXCHANGE CONTROL

Capitalised terms used in this section headed “South African Exchange Control” shall bear the same meanings as used in the Terms and Conditions, except to the extent that they are separately defined in this section or this is clearly inappropriate from the context.

The information below is intended as a general guide to the position under the Exchange Control Regulations as at the Programme Date. The Exchange Control Regulations are subject to change at any time without notice. The contents of this section headed “South African Exchange Control” do not constitute exchange control advice and do not purport to describe all of the considerations that may be relevant to a prospective subscriber for or purchaser of any Notes. Prospective subscribers for or purchasers of any Notes should consult their professional advisers in this regard.

Non-South African resident Noteholders and emigrants from the Common Monetary Area

Dealings in the Notes and the performance by the Issuer of its obligations under the Notes and the applicable Terms and Conditions may be subject to the Exchange Control Regulations.

Emigrant Blocked Rands

Blocked Rands may be used for the subscription for or purchase of Notes. Any amounts payable by the Issuer in respect of the Notes subscribed for or purchased with Blocked Rands may not, in terms of the Exchange Control Regulations, be remitted out of South Africa or paid into any non-South African bank account.

Emigrants from the Common Monetary Area

Any Individual Certificates issued to Noteholders who are emigrants from the Common Monetary Area will be endorsed “*non-resident*”. Such restrictively endorsed Individual Certificates shall be deposited with an authorised foreign exchange dealer controlling such emigrant’s blocked assets.

In the event that a Beneficial Interest in Notes is held by an emigrant from the Common Monetary Area through the CSD, the securities account maintained for such emigrant by the relevant Participant will be designated as an “*non-resident*” account.

Any payments of interest and/or principal due to a Noteholder who is an emigrant from the Common Monetary Area will be deposited into such emigrant Noteholder’s Blocked Rand account, as maintained by an authorised foreign exchange dealer. Interest payments are freely transferable and may be credited to the emigrant’s non-resident Rand account. Capital amounts in respect of principal are not freely transferable from the Common Monetary Area and may only be dealt with in terms of the Exchange Control Regulations.

Non-residents of the Common Monetary Area

Any Individual Certificates issued to Noteholders who are not resident in the Common Monetary Area will be endorsed “*non-resident*”. In the event that a Beneficial Interest in Notes is held by a non-resident of the Common Monetary Area through the CSD, the securities account maintained for such Noteholder by the relevant Participant will be designated as a “*non-resident*” account.

It will be incumbent on any such non-resident Noteholder to instruct the non-resident’s nominated or authorised dealer in foreign exchange as to how any funds due to such non-resident in respect of Notes are to be dealt with. Such funds may, in terms of the Exchange Control Regulations, be remitted abroad only if the relevant Notes are acquired with foreign currency introduced into South Africa or Rand from a non-resident Rand account and provided that the relevant Individual Certificate has been endorsed “*non-resident*” or the relevant securities account has been designated as a “*non-resident*” account, as the case may be.

The Issuer is domiciled and incorporated in South Africa and as such is not required to obtain exchange control approval.

For purposes of this section, **Common Monetary Area** means South Africa, Lesotho, Namibia, and Swaziland.
