SOUTH AFRICAN PREMIUM SPIRITS

Just like the menu at San Restaurant and Deck which showcases the best ingredients that South Africa has to offer, so too does our South African spirits selection. The world's number one grain whisky is produced in South Africa so we are as confident as we are proud in our local offerings. We have selected whiskies from distilleries around South Africa which produce malt and grain whiskies for more than 130 years as well as brandies since 1905. In recent years craft gin and rum have been locally produced in unique areas such as the Maboneng Precinct of Johannesburg and vodka in the Limpopo province. All of these proudly South African spirits are available for you to savour whilst the African sun sets...
