

SAN DECK COCKTAILS

“Adventure is worthwhile in itself.” Amelia Earhart

It could be true. That the greatest adventures happen after cocktails, or possibly during, if they are the most tantalising cocktails. Sandton Sun’s exquisitely created cocktails are designed by professional mixologists for an extra touch of je ne sais quoi – or even adventure. There’s more. While our exciting range of Autograph gin & tonics, popular signature cocktails, beertails, and craft shooters offers an adventure of flavour and enjoyment with every sip, each one is also sugar-free and naturally sweetened, featuring fresh garnishes, and made from South African ingredients.
